PRICE TEN CENTS

New York State Beauty Chosen As Miss U.S.A.

DETROIT (AP) — "I thought Miss New York City had won," said Miss New York State, Jeanne Quinn, winner of last night's Miss U.S.A.-World contest.

The confusion arose when master of ceremonies Philip Crosby identified Miss New York City as the winner. Four runners-up had already been named. Three of seven finalists remained back stage.

Along with Miss Quinn, a willowy 5-foot-8 blue-eyed blonde from East Meadow, Long Island, were Miss New York City, Ruth Stein, 20, and Miss Ohio, Sharon Hoefling, 18.

Miss Michigan Fourth

Crosby slipped in the announcement and made a hasty correction.

"I hugged Ruth and I was so happy for her," said Miss Quinn. "But then I found I had won, and it was just too much."

Miss Quinn donned a red velvet, fur-lined robe and crown and took her place alongside her court, Miss Alaska, Susan Marlin, 21, was second; Miss Chicago, Jana Flores, 20, third; Miss Michigan, Susan Pill, 19, of West Bloomfield, fourth; and Miss Illinois, Susan Bye, 21, fifth.

The 53 contestants choose Miss Wyoming, Lou Ann Eden, as Miss Congeniality. Miss Eden, a 5-foot-7 brunette, is 21 and a private legal secretary. Miss Quinn's title includes a trip to the Miss World contest next month in London. She will compete with girls from all over the world for a \$7,500 first prize.

While in Europe, Miss Quinn will spend a week's holiday in Paris. Her victory also means an appearance on the Bob Hope television show.

The shapely 35-22-35 junior from Hofstra University in Long Island gave New York State its second straight representative in the Miss World contest.

Michele Metrinko of New York City won the title in 1963, and was on hand to crown Miss Quinn.

Miss Pill, a sophomore at Michigan State University, is the reigning Miss Michigan State Fair, and will be on hand today to crown the 1964 winner.

A graduate of Pontiac Central High School, the 19-year-old Miss Pill measures a curvy 36-23-36, topped by honey blonde hair. She is interested in photography modeling.

Veteran Broker Still Busy At 90

WHITEFIELD, N.H. (AP) — Edward Allen Pierce, who entered the investment business as a \$20-per-week clerk and now is the only surviving founder of the Wall Street brokerage house of Merrill Lynch, Pierce, Fenner & Smith, celebrated his 90th birthday Monday by playing nine holes of golf.

Pierce still works a 7-hour day, starting at 9 a.m., five days a week.

Weather

By The Associated Press

ESCANABA — High expected today 73, low last night 40.

Upper Peninsula — Fair and a little warmer this afternoon. Partly cloudy and warmer to night and Wednesday. A few showers or thundershowers likely west tonight and over the entire peninsula Wednesday. Low tonight in the 50s, high Wednesday in the 70s.

Lower Michigan — Partly cloudy this afternoon and tonight. Not so cool northwest to night, low in the 50s. Mostly sunny and a little warmer Wednesday, high 74 to 82.

Highest temperature Monday, 78, lowest, 62.

Highest temperature one year ago today, 78, lowest, 50.

Highest temperature this date since 1872, 98 in 1953, lowest, 43 in 1888.

The sun sets today at 7:27 p. m., and rises Wednesday at 6:10 a. m.

FORMER AMBASSADOR Joseph P. Kennedy is wheeled into New England Baptist hospital in Boston by an aide, Frank Saunders, accompanied by his niece, Ann Gargan (right) for a visit with his son, Sen. Edward M. Kennedy. Sen. Kennedy received a broken back in a June 19 plane crash and is strapped in a rigid Foster Frame bed as he recuperates. (AP Wirephoto)

Johnson Maps Strategy With Party Leaders

WASHINGTON (AP)—Tanned and rested after a long weekend on his Texas ranch, President Johnson summoned Democratic congressional leaders to the White House today for an early morning review of legislative strategy.

Congress is heading toward a close, and with the election approaching, Johnson is eager for passage of that part of his program that remains in the legislative mill.

Monday night, a scant half hour after a helicopter deposited him on the White House grounds, the President signed into law a priority measure approved by the Senate and the House — a nationwide food stamp plan to improve the diet of needy families.

Senators and House members were called to the executive mansion to stand beside Johnson during the traditional signing ceremony. The President, who is certain to campaign on a promise of additional welfare legislation, called the new law "one of our most valuable weapons for the war on poverty."

Promoted also by his predecessor, the late President John F. Kennedy, the food stamp plan permits qualifying families to buy \$10 worth of food stamps for \$6 on the average. Then they can use the stamps in the corner grocery for many more food items than the surplus commodities they have had to carry from the distribution centers. Sponsors stressed both the convenience and the variety of foods.

Where instituted — it is now in operation in 43 counties and will be expanded greatly by the new law — the stamp plan replaces the old system of distributing surplus staple food to needy families.

The new program is expected to cost \$25 million the first year, \$75 million the second, \$100 million the third and \$200 million the fourth.

The President spent three days on his ranch near Johnson City, having headed for it Friday afternoon after addressing the Democratic National Committee in Atlantic City.

Johnson's running mate, Sen. Hubert H. Humphrey, and Mrs. Humphrey returned from the ranch Sunday night.

Mrs. Johnson stayed behind on the ranch. A spokesman said she wants to get some house-keeping chores done.

While spokesmen for the big labor federation refrained from predicting endorsement of Johnson in advance of the Executive Council and General Board meeting, there was no reason to doubt endorsement would be forthcoming.

AFL-CIO President George Meany has said he believes the Republican candidate, Sen. Barry Goldwater, wants to see the labor movement eliminated. Union officials down the line have been pelting Goldwater in their speeches, statements and publications.

A union official who usually votes Republican, Maurice A. Hutcheson, president of the United Brotherhood of Carpenters, already has endorsed Johnson.

Hutcheson, a member of both the AFL-CIO Executive Council and the General Board, told the President in a letter this was the first time he had endorsed a Democratic candidate.

His attorney, Cecil B. Moore, president of the Philadelphia chapter of the National Association for the Advancement of Colored People, called the high bail a ransom and said the court had "succumbed to hysteria."

Muhammad, 33, came here from Greensboro, N.C. He has been arrested four times. Muhammad once described himself as a Muslim leader and also said he represented the Philadelphia Fighters for Liberty and Justice.

The raids came amid reports that the North Philadelphia riots might have been planned. Mayor Tate said, "I believe that it was designed and planned and that something triggered the action. There were too many people ready to go."

Dist. Atty. James C. Crumlish said he was convinced the riots and looting were the work of organized outside agitators.

The rioting and looting caused damages between \$500,000 and \$3 million, Mayor Tate estimated. He said he would ask federal and state aid to help repair the damage.

President Johnson earlier had ordered the FBI to investigate rioting in Harlem, New York City's Negro district.

WASHINGTON (AP) — The Census Bureau says that California's population has passed New York's — but only because of the number of military men stationed there.

In its annual estimates of state populations, issued Monday, the bureau put California's July 1 population at 18,084,000 and New York's at 17,915,000.

In civilian population, New York leads 17,870,000 to 17,749,000.

The national population on July 1 was 191,334,000 — a rise of 2.7 million in a year.

Turnout Of 1,250,000 Predicted For Election

Union Official Is Linked With Alpena Arson

ALPENA (AP) — The brother of a Proctor, Minn., man charged with arson testified Monday his brother had been hired by a union official to burn down a house belonging to an official of a rival union.

James Ridgely, 26, said in a preliminary hearing in Alpena Municipal Court that his brother George, 25, was hired to burn down the Alpena home of Norman Jolicœur, business agent of the Inland Boatmen's Union in Duluth.

James testified George was hired by Charles LaPorte, a business agent of the Marine Engineers Benefit Union.

He told Judge Arthur B. Wilkins that he had seen LaPorte near the scene of the fire and observed him jump into a 1964 car with Wisconsin license plates and take off at high speed.

A third Ridgely brother, Charles, 22, died of burns suffered in the blaze August 16th. James said he had worked for LaPorte in early June on a union picket boat in Duluth.

Another witness, Mrs. Georgia Faye Leupp, 21, a friend of the Ridgely brothers, testified earlier that George had told her Charles Ridgely was to get \$2,000 for burning down the Jolicœur residence, and that George was to get \$800 for driving him from Duluth to Alpena.

George Ridgely was bound over for trial in the October term of Circuit Court. He was held on \$5,000 bond.

James Ridgely and Mrs. Leupp were held in protective custody. Prosecutor Joseph P. Swallow said arson warrants against the two will be dropped.

Union Leaders Rap Goldwater

WASHINGTON (AP) — AFL-CIO leaders are expected to urge some 12 million union members today to vote for President Johnson in November.

While spokesmen for the big labor federation refrained from predicting endorsement of Johnson in advance of the Executive Council and General Board meeting, there was no reason to doubt endorsement would be forthcoming.

AFL-CIO President George Meany has said he believes the Republican candidate, Sen. Barry Goldwater, wants to see the labor movement eliminated. Union officials down the line have been pelting Goldwater in their speeches, statements and publications.

A union official who usually votes Republican, Maurice A. Hutcheson, president of the United Brotherhood of Carpenters, already has endorsed Johnson.

Hutcheson, a member of both the AFL-CIO Executive Council and the General Board, told the President in a letter this was the first time he had endorsed a Democratic candidate.

His attorney, Cecil B. Moore, president of the Philadelphia chapter of the National Association for the Advancement of Colored People, called the high bail a ransom and said the court had "succumbed to hysteria."

Muhammad, 33, came here from Greensboro, N.C. He has been arrested four times. Muhammad once described himself as a Muslim leader and also said he represented the Philadelphia Fighters for Liberty and Justice.

The raids came amid reports that the North Philadelphia riots might have been planned. Mayor Tate said, "I believe that it was designed and planned and that something triggered the action. There were too many people ready to go."

Dist. Atty. James C. Crumlish said he was convinced the riots and looting were the work of organized outside agitators.

The rioting and looting caused damages between \$500,000 and \$3 million, Mayor Tate estimated. He said he would ask federal and state aid to help repair the damage.

WASHINGTON (AP) — The FBI has received instructions from Atty. Gen. Robert F. Kennedy to keep a close watch on Northern racial disturbances after a weekend rioting in Philadelphia and earlier disturbances elsewhere.

A Justice Department spokesman said Monday that Kennedy told the FBI "to watch these disturbances to the full extent of our authority and responsibility and to keep in the closest touch with local authorities in order to ascertain all of the relevant facts."

On Sunday, Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People, asked Kennedy in a telegram to investigate the possibility that the riots have been planned.

President Johnson earlier had ordered the FBI to investigate rioting in Harlem, New York City's Negro district.

Precinct Gives Romney 11 And Higgins One

POINTE AUX BARQUES (AP) — Michigan's first primary election returns came in today from Pointe Aux Barques, at the tip of the Thumb, where all 13 registered voters cast ballots within the first 2½ hours.

Gov. George Romney received 11 votes and Ferndale auto dealer George Higgins received one in the Republican race for the gubernatorial nomination. One ballot was spoiled.

The voters all marked Republican ballots. They gave Edward H. Meany all 12 valid votes in the race for U.S. Senate nomination. In the House race, Rep. James Harvey and Don Wismer each received six.

Airman Slain At Marquette

MARQUETTE (AP) — Bill Berry, 30, was arraigned Monday before Municipal Judge Edmund H. Dembowski on a first degree murder charge in connection with the fatal shooting of his brother-in-law Saturday.

Berry demanded a preliminary examination. It was scheduled for Sept. 9. He is held without bail.

Sgt. Allen Clinton, 28, was shot with a deer rifle Saturday and died Sunday at the K.I. Sawyer Air Force Base hospital, authorities said.

Berry had been living with the Clinton family in nearby Marquette. The shooting apparently followed a family argument, according to authorities.

The body of Sgt. Allen Clinton, 28, of K. I. Sawyer Air Base, who was shot and killed by his brother-in-law in a family argument, will be removed from the Anderson Funeral Home in Escanaba at 1 p.m. Wednesday to the Army Air Force Chapel at Sawyer. Services will be held there at 2 p.m.

Burial will be in Golden Gate National Cemetery in Millbrae, Calif.

Sgt. Clinton was born in Concord, N.H., Oct. 30, 1935. He is survived by his wife, Gladys.

Neither Dingell nor Lesinski has campaigned on the civil rights issue, and the revamped district is largely Lesinski's old territory. Included in the area is his home town, Dearborn, frequently criticized by Negro leaders as racially-biased and "lily-white."

The near-record turnout was forecast despite a strike that has left Detroit without its two daily newspapers for more than seven weeks.

"With newspapers, this election probably would have set a record," said John Smith, Detroit elections director.

Today's balloting stirred up interest because Congressional and legislative reapportionment have matched incumbent against incumbent.

It also is the forerunner to a November general election which could swing control of Michigan's House of Representatives from the Republicans to the Democrats, and cut sharply into the GOP edge in the State Senate.

In statewide competition, Gov. George Romney is being challenged on the GOP ticket by former State Senator George

State Contests Spur Primary Voting Today

DETROIT (AP) — Michigan voters marked primary election ballots today for offices ranging from governor to constable—including one category that didn't exist before.

In what was expected to be one of the largest primary turnouts in recent years, the voters selected candidates for a U.S. Senate seat, 19 Congressional offices and a 148-member state legislature.

Also included on the ballot was the newly-created State Court of Appeals, established under a revised constitution that went into effect this year.

State Elections Director Robert Montgomery predicted as many as 1,250,000 voters might cast primary ballots, largest total since 1952.

Three For Senate

Three Republicans competed for the right to try to unseat Democratic incumbent Philip Hart, a first-term senator with no primary opposition.

They are Mrs. Elly Peterson, recently resigned as assistant chairman of the Republican National Committee; James O'Neil, a member of the State Board of Education, and Edward Meany, Jr., a leather goods sales promotion manager.

In the Congressional races, 17 incumbents are seeking nomination but at least two will be knocked out of the running.

Redistricting has pitted incumbent Democratic Reps. Lucien Nedzi and Harold Ryan against each other in the 14th, and Democrat John Dingell against John Lesinski in the 16th.

Hovering over the Dingell-Lesinski contest is the question of whether the so-called white backlash against Negro militancy will assist Lesinski, only northern Democrat to vote against the new Civil Rights Act.

Neither Dingell nor Lesinski has campaigned on the civil rights issue, and the revamped district is largely Lesinski's old territory. Included in the area is his home town, Dearborn, frequently criticized by Negro leaders as racially-biased and "lily-white."

The near-record turnout was forecast despite a strike that has left Detroit without its two daily newspapers for more than seven weeks.

"With newspapers, this election probably would have set a record," said John Smith, Detroit elections director.

Today's balloting stirred up interest because Congressional and legislative reapportionment have matched incumbent against incumbent.

It also is the forerunner to a November general election which could swing control of Michigan's House of Representatives from the Republicans to the Democrats, and cut sharply into the GOP edge in the State Senate.

Cruiser Wrecked; Bodies Picked Up Off Beaver Isle

CHARLEVOIX (AP) — The bodies of three Petoskey men were recovered from Lake Michigan today and a fourth was sought in the aftermath of a boating tragedy.

The Coast Guard identified the bodies of Jack Behan, Robert P. Markovich and Dana Pottsi, all recovered off the southern tip of Beaver Island. Still sought was Al Sober.

Potts owned the 26-foot charter cruiser Flo Jo in which the four set out Sunday for a fishing trip and outing near Hog Island some 20 miles northwest of Petoskey.

Coast Guard officials said the bodies bore no indications of an explosion on the boat from which debris was found on the Emmet County shoreline.

All those aboard the ill-fated

craft were prominent in Petoskey and were managers or coaches of Little League baseball teams. Their joint outing followed completion of the league season.

Behan was a newsman - announcer with radio station WMBN. Markovich operated Great Lakes Community TV, a cable television operation. Sober was associated with Northern Concrete Products.

Potts' father drowned two years ago in a mishap connected with the cruiser which carried the four to their deaths. The elder Potts and a companion were lost near Beaver Island in a skiff which swamped in rough seas while trying to reach the anchored cruiser after a trip ashore.

Poland Recalls Start Of War 2

WARSAW, Poland (AP) — The 25th anniversary of Germany's invasion of Poland — the fateful start of World War II — is being recalled today in Poland with rallies, speeches and mourning.

Top Polish leaders are appearing at rallies in Warsaw

and in Gdansk, the former free city of Danzig. It was in Danzig that the first shots sounded at 4:45 a.m. Sept. 1, 1939, when the German cruiser Schleswig-Holstein shelled Westerplatte, a tiny Polish enclave across the Bay of Danzig.

In West Germany, Chancellor Ludwig Erhard observed the anniversary by declaring that Germans want nothing more to do with war.

In a radio speech Monday, Erhard said: "The Germans — of this I am certain — have learned from horrible experience and their whole longing is to achieve a true peace."

"We Germans will be specially reminded of the disaster of 1939, which was unleashed in our name by a brutal ruler. We must own up to this historical fact."

Anniversary rallies also were held Monday. The Polish Press Agency said the largest gathering was at Bytom, Upper Silesia, attended by 100,000 persons.

Edward Gierek, a member of the Polish Communist party's Politburo, told the rally: "We bow our heads to all our sisters and brothers who fell in the defense of this fatherland in that unequal fight."

The speculation — and it was purely that — hinged on Reuther's assertion Monday night that President Johnson will keep a Labor Day speaking engagement in Detroit.

Until Reuther's "he will be here," there had been some doubt.

The speculators asked: Could any politician ask for a better Labor Day kickoff for a campaign than an announcement — on free nationwide television — that agreement had been reached on a contract anticipated to guarantee three years of labor peace in one of the nation's bellwether industries?

They also pointed out that Reuther had threatened to strike last Wednesday at midnight any of the Big Three — General Motors, Ford or Chrysler — who failed to meet UAW terms.

A few hours before that deadline arrived, Reuther singled out Chrysler, smallest of the Big Three, as the No. 1 target for a strike — or else.

Reuther never has spelled out anywhere exactly what those terms should be.

Police said the bodies, beaten by bricks or a piece of sewer pipe, were discovered beneath the missing youth's home.

Troopers from the New Buffalo Post here found the youth on foot near Grand Beach, just inside Michigan.

Propane Bottles Burn On Truck; Driver Escapes

EAST LANSING (AP) — A truck driver escaped injury Monday when nine 100-pound bottles of propane gas he was hauling burst into flame.

East Lansing firemen poured water on the truck for nearly two hours to prevent the tanks from exploding, said Sgt. Sam Gingrich.

The driver, John Wenzig, told police a passing motorist pulled alongside and told him the truck was on fire as he was driving past State Police Headquarters.

Today's Chuckle

They keep telling us that women are smarter than men, but did you ever see a man wearing a shirt that buttoned in the back?

Kenneth B. Keating, New York Republican who is campaigning independently of the national ticket. In the center is GOP State Chairman Fred A. Young. (AP Wirephoto)

P&H To Host Security Men

Harnischfeger Corp. will bring the eastern financial community to Milwaukee and Escanaba in September when it hosts a group of security analysts and institutional investors at a two-day session.

The analysts, representing major investment firms, and officials from several leading commercial banks and insurance companies will meet Harnischfeger management Sept. 22-24 and study the company's product line and facilities.

Harnischfeger treasurer and financial vice president W. L. Carter said that the decision to bring the analysts to Milwaukee and Escanaba was made to show them first hand the changes that have taken place at Harnischfeger during the past few years.

"We feel that with our current sales and profits achieving marked increases over recent years, these gentlemen will want to know what has brought about this greatly improved performance and what they can expect from Harnischfeger in the future," Carter said.

"There have also been many significant developments in our product lines and facilities that we want these specialists to be familiar with," he added.

The analysts are scheduled to arrive in Milwaukee Sept. 22. They will attend a product line presentation the next morning at Harnischfeger's training center. The company's general sales managers will review each major product line with the analysts. Harnischfeger is a leading manufacturer of construction and mining equipment, overhead cranes and hoists and welding machines and electrodes.

Following the product program the analysts will fly to Escanaba to tour the operations there and see equipment displays and demonstrations. Harnischfeger produces truck cranes and welding machines in Escanaba.

On Sept. 24 they will tour Harnischfeger's Milwaukee facilities and meet later that day for an informal question and answer program with corporation officers. A luncheon with company officials will conclude the visit.

About 7,100 islands make up the Philippine Islands.

Bless Noa Home Here Wednesday

With the completion of the St. Catherine Chapel and the non-denominational chapel in the Bishop Noa Home for Senior Citizens, everything is set for the solemn blessing of the facilities on Wednesday at 11 a.m. by the Most Rev. Thomas L. Noa, D.D., Bishop of Marquette.

Bishop Noa has chosen the occasion to introduce in the diocese the newly established "English Mass" which will become nation-wide on the First Sunday of Advent. Following the blessing of the chapel, named in memory of Mrs. Catherine Bonifas, philanthropist, the Bishop will offer a Pontifical Low Mass in English, assisted by his secretary, Rev. Charles Oliver and Rev. Terrence Donnelly of Manistique, secretary of the Liturgical Commission of the diocese.

Bishop Noa

Present at the Mass will be the clergy of the diocese, the guests and the Sisters of the Noa Home, the Bishop Noa Home Board members and their wives and other dignitaries. Printed material will be given those participating in the Mass, so that the dialogue may be established.

The singing will be under the direction of Rev. Otto Sartorelli, diocesan director of music. The Rt. Rev. Msgr. John T. Holland, formerly pastor of St. John's, Menominee, is the newly appointed Chaplain of the Home.

The St. Catherine Chapel is the focal point of the new home. Its design and its appointments, as well as those of the non-denominational chapel were executed under the direction of Thomas Smith, of Shop Seven, Lake Shore Drive. Of particular interest is the fact that all its appointments are in perfect accord with the recent Decree of the Sacred Liturgy ratified by Vatican Council II.

The large granite altar is from the Cold Spring quarry in Minnesota. The tabernacle and the crucifix were designed especially for the chapel. The stained glass windows were fashioned in Shop Seven. The fine oak pews and altar furniture were made in Menominee. The Stations are originals done by Tom Smith.

The entire area of both chapels is tastefully carpeted and the wall colors are restful. The

Sulphur Fumes Damage Trees

Defoliation of trees in the Porcupine Mountains State Park this summer has been blamed on sulphur fumes from a smoke stack at the nearby White Pine Mine, but managerial spokesmen at the mine have told Michigan Conservation Department officials in Marquette that they are confident that the mine's technical staff can solve the problem.

Glenn Gregg, Marquette, regional manager for the department, said the problem of damage to trees in the park has been under investigation for some time this summer, but that all evidence now points to very fine particles of dusty material believed to have been emitted from the tall stack at the big copper mine.

All of the trees affected are located on the eastern slopes of mountains in the park, Gregg said. The mine is about five or six air miles east of the eastern park boundary.

Damage to the trees has been spotty and no estimate of the total acreage involved has been made. Most of the trees affected are maple, aspen and birch, Gregg said.

"We don't think any permanent damage has been done," he said, "but we fear permanent damage could result if the situation continues."

He said White Pine officials assured him they believe their technicians can "come up with an answer within a few weeks."

Trees affected first turn color. The leaves then become dry and drop off.

When the condition was first noticed, it was believed that last year's drought was responsible.

Leroy A. Stevens, department forester at Baraga, was sent to the park to investigate the matter. He reported that he found no disease or insect damage that could be responsible. Other trees in the area were healthy, he reported.

Paul Flink, Lansing, formerly of Marquette, an entomologist with the department, and Dr. John Ohman, Marquette, project leader for the U.S. Forest Service, then made an on-the-scene investigation and said the damage was not caused by insects or disease.

Leaves from the affected trees have been sent to a Michigan State University laboratory in East Lansing for analysis. Results of the analysis are not yet available, but conservation department officials are certain the damage has been caused by sulphur fumes.

Presumably, White Pine technicians will devise some new method of disposal of fumes to halt the killing of foliage in the park.

In Burma, race cakes are called mon-le-bway, meaning "whirlwind cake." The crisp, thin sheets are feather-light and filled with air bubbles.

Trained Labor Surplus Reported

There appears to be a growing surplus of trained labor throughout the nation, indicating that creation of jobs, not job retraining, is the paramount need, says C. Wilson Harder, president of the National Federation of Independent Business on basis of July returns in the nationwide year-long economic survey being made by the organization among independent businessmen.

The July results, based on 4,955 respondents out of a total of over 30,000 so far this year, show that 36.3 per cent of the independent business proprietors reports a supply of trained labor in their localities. This is a slight increase over June, but a sharp increase from the report at the end of the first quarter when only 30.1 per cent reported a surplus of trained labor. In Michigan a supply of skilled labor was reported by 26.1 per cent of the independent businessmen.

Harder said that these reports are more indicative of the true situation than figures released by government bureaus inasmuch as these reflect opinions from the "grass roots".

More than 1,300 persons, including some of show business' brightest luminaries, gathered Monday at the rites for the zany comedienne who delighted fans with cracks like: "When I was born, I was so surprised I couldn't talk for a year and a half."

The petite, wide-eyed comedienne, 58, died Thursday of a heart attack.

The usually assured Benny broke down twice as he eulogized Gracie.

"The whole world loved Gracie Allen. The world also recognized her ability as a comedienne. In her performances, the world seemed to know what Gracie was talking about when she supposedly didn't."

"She deserved this recognition because she lived in a world of laughter which was partly her own creation."

Burns, weeping, was helped from Forest Lawn's Church of the Reconciliation by Benny and Burns' son Ronnie.

Miss Allen was born a Roman Catholic and practiced that faith, but the rites were Episcopal. A family friend explained:

"George wants to be buried with Gracie. Since he is Jewish, he cannot be buried in Catholic consecrated ground. So he figured that Episcopal rites would be a compromise, the closest thing to a Catholic ceremony."

Gracie's Burial Brings Tears

GLENDALE, Calif. (AP) — Gracie Allen rests today in a Forest Lawn crypt following funeral services that brought brought near collapse for her husband, George Burns, and fellow comedian Jack Benny.

More than 1,300 persons, including some of show business' brightest luminaries, gathered Monday at the rites for the zany comedienne who delighted fans with cracks like: "When I was born, I was so surprised I couldn't talk for a year and a half."

The petite, wide-eyed comedienne, 58, died Thursday of a heart attack.

Briefly Told

The North Star Lodge will meet at the Odd Fellows Hall Thursday, Sept. 3, at 8 p. m.

Disabled American Veterans and Auxiliary will meet at the VFW Hall at 8 p. m. Thursday. All veterans eligible to join the DAV are invited to attend.

Delta Lodge No. 195 F. & A. M. will hold a special communication at the Masonic Temple at 7:30 p. m. Wednesday, Sept. 2. Lunch will be served. Visiting Masons are invited to attend.

An immunization clinic will be held Wednesday at 10 a. m. E. S. T. in the Home Economics room of the Carney-Nadeau School. Dr. Mary Cretens will conduct the clinic.

The Fourth Degree Knights of Columbus will meet Wednesday at 8 p. m. in the clubrooms. All members are asked to attend.

4th Degree Knights of Columbus will meet at 8 p. m. Wednesday night in the Clubrooms to complete plans for the coming Exemptionation on Sept. 20th. Master Donald Messier from Manistique will be present. All members are urged to attend.

Township Vote At Fire Hall

RAPID RIVER — Primary election for county and state candidates opened today, (Sept. 1) at 7 p. m. at the Rapid River fire hall and the polls will close at 8 p. m.

Masonville township's election inspectors are Mrs. Merle C. Moore, chairman, Mrs. Grace Burnett, Mrs. Elsie Hytinen and Mrs. Mildred Stenlund. Mrs. Moore and Mrs. Burnett attended the election school held at the Delta County Building on Thursday. Procedures for elections were explained.

The board of canvassers is Mrs. Elizabeth Johnson, Mrs. Vera Vietzke, Joseph Micheau, Jr., and Mr. Hugo Schoenberg.

An Indian reservation is an area of land set aside for Indian use.

Norway Company Buys Ford Plant In Kingsford

NORWAY — LoDaL, Inc., of Norway, has purchased most of the remaining property and buildings on the old Ford plant site in Kingsford and will move its entire Norway operations there within 60 days.

The announcement was made by J. Raymond Brisson, of Norway, president of LoDaL, Inc., who purchased the 240 acres of the property from the Kingsford Company of Louisville, Ky., which formerly had its charcoal briquet operation at the plant.

LoDaL is engaged mainly in the manufacture of containerized refuse handling equipment available on municipal and industrial markets. Government contracts for units on military bases comprise about 25 per cent of their production.

Brisson said the corporation intended to broaden its lines of production and hopes that within a year, an additional 60 to 75 employees will be added to the payroll. There are about 100 persons presently employed there.

The company started out in Norway as the Brisson Brothers in 1946 and in 1953 became LoDaL, Inc.

Lake Shore Has Kingston Mine C&H Contract

IRON MOUNTAIN — B. W. Reeve, president of Lake Shore, Inc., announced today that the firm has been awarded the turnkey contract for the entire surface installation at Calumet and Hecla's new Kingston Mine at Calumet.

The widely publicized mine is expected to be in operation by mid 1965.

James W. Clark, manager of Lake Shore's mining machinery division, said the contract includes the engineering, design and erection of the complete surface plant which consists of the headframe, storage bins, hoist house, hoist conversion, dry buildings, collar house and miscellaneous shaft conveyances. Lake Shore has subcontracted other portions of the project.

In addition to the design and installation of structures, buildings, skip-ways and other complex mining machinery, Lake Shore engineers are working with Calumet and Hecla to clear considerable surface areas and to install access roads and railroad spurs.

Ground was broken for the development on June 22, 1964, and work is progressing on schedule.

Stonington Hall Election Center

STONINGTON — Mrs. Pearl Larsen, Bay De Noc Township's clerk, announces that the inspectors for today's (Sept. 1) primary election will be Bernard Mattson, chairman, Peder Pedersen, Mrs. Helen Sigfrids, Mrs. Marian Erickson and Mrs. Aurora Olson. Bay De Noc Township's county and state primary will be held at the Stonington Community Hall with polls opening at 7 a.m. and closing at 8 p.m. Mattson and Pedersen attended the Thursday election school at the Delta County Building. The board of canvassers of Bay De Noc Township includes Mrs. Anna Mae Granskog, Mrs. Ebba Peterson, Raymond Sundstrom and Mrs. Bertha Johnson.

Daniel Boone was buried in Missouri during 1820, but was reinterred at Frankfort, Ky., in 1845.

Resolving The Issue

The Escanaba Area School District is voting today in connection with the fall primary on a proposed 4 mills tax levy for operation of the district's schools.

The time is a good one to comment upon the issue because while the die is now cast, the problem of public schooling will remain with us.

Mrs. Marie Rademacher wrote the Press a letter in which she said that the Press had been one sided on the millage issue and that the Board of Education had lost the confidence of many voters.

These statements are true in part and they present the community's dilemma in organizing its school finances. The Press is conscious that there is another side to the school finance issue and so is the school administration, but efforts to put it in focus are difficult and largely ineffective.

The Board of Education asked businessmen to review the schools' finances and a group did this and, while failing to come to an agreement on methods or a public report, did acknowledge the need for a substantial millage levy for operation. This was a board of education effort at outside review of its problems and while it wasn't finally articulated it gave the community opportunity to help resolve this big problem of financing adequate public education.

The community's most effective control of this process is in its election of members of the Board of Education. They are the community's representatives in the school system, they hire the superintendent and other administrators and set school policy and propose the taxes to be levied to pay for it.

It is very significant that persons in Escanaba and elsewhere who are elected by the public on "protest" platforms to cut school spending are soon members of the group urging higher taxes. This comes from their new knowledge of school problems, which is immensely enlarged by their service on the school board. It's easy to criticize it, but it's difficult, when serving on the school board, to suggest actual ways of reducing spending without reducing schooling or the quality of schooling.

There are some economies which can be taken in schooling, in housing and in programming, and each community eventually develops its own standards on these matters. In the North we cannot have flimsy housings as an economy, and we are reluctant to return to a Three Rs type of school which shucks off all the modern fringes of music, arts, home economics, foreign language, advanced math, enrichment reading, etc., because we are mindful that our young people are now headed for more schooling after high school. They must have a foundation of studies on which they can build their higher education.

Some of the heat which the cost of schooling generates comes from a lack of understanding of what has happened to America in recent years.

Dr. Neil W. Chamberlain, professor of economics at Yale, writes in the current Atlantic Magazine in "Retooling the Mind," that "It takes no special insight to spotlight our educational processes and philosophy as the major cause of the sputter in our social engine. We are still operating as though a person can acquire in the first 20 years or so of his life all the formal education he needs to keep him on an ascending career line through the remaining 40 years or so of his working life."

"It has become an article of faith among manpower specialists that there is no place in the modern world for the uneducated and the untrained . . .

"Education is hard, but within the lifetime of many of us our society has moved from a philosophy that college education is the luxury of the few to the belief that it is a necessity for the many."

There seems a tendency to make of schooling a social issue which creates a defensive attitude in some persons who haven't had a lot of formal schooling. This is foolish. All things must be judged in the context of their time. Abraham Lincoln made one of the greatest contributions to American greatness in the history of our nation, and with very little formal schooling.

But what would Lincoln have done today, in an era when only millionaires contest for the presidency? It is difficult for America to solve its modern problems. Without education it cannot do it.

We do not work much at the business of understanding our educational needs between the crises of elections on millage, but it would be well if we did. The friends of education—who are all the people impressed with the need for it—should be in the front rank of inspectors and critics of school spending, but this function has been pretty much surrendered to critics whose interest usually is in reducing taxes and not in improving education.

Letters To The Press

Contributions are welcome. They must be limited to 350 words, and signed with the name and address and phone number of the writer, but the name will be withheld on request.

CORRECTED

In Friday's "Letters To The Press" column, History Repeats, in the middle of paragraph 2, it said: Their successors, both named Johnson, were Southern Democrats, and both were in the Senate. Andrew Johnson was born in 1808; Lyndon Johnson in 1908. It is true their successors were both named Johnson, and both in the Senate, but Andrew Johnson was a Republican vice-president.

Information from Vol. 16, page 1418, of the American Heritage Encyclopedia.

Matthew Neumeier

VACATION COUNTRY

Once again we are back for our seventh vacation up here in beautiful God's Country.

As usual, we celebrated my birthday on Aug. 18 and my little grand-daughter's, Florence Luey, who was seven years old on Aug. 27th, with a Weiner roast at the cabin back in the woods. Both nights the sky looked so beautiful because it was just covered with twinkling pieces of bamboo.

stars looking down on us. Back in Chicago we don't see such wonderful sights.

Those who attended the parties were Mr. and Mrs. Arnold Berg and their two sons, David and Danny, Gus Berg, Mr. and Mrs. Ed Berg of Chicago, who have a cabin in the woods and love it up here too. Looking out of the window this morning I watched the sun come up over the tree tops. Beyond it was Arnold's new mown hay field and the green alfalfa. It is beautiful indeed.

During the day my grandson, Joey Frank Faiyla and his sister, Florence, rode on the tractor with David and Danny while alongside ran their two dogs, Teddy and Rusty. The children watch the cows being milked and the chickens being fed—all very interesting to city-red kids.

My husband, Joe, who drives a piggy-back trailer for the Willette Co. in Chicago, really enjoys the quiet of the great outdoors when we come here every year. And so do I.

Mrs. Florence Pisano
Chicago, Ill.

CATHY LUCAS, cystic fibrosis national campaign child, is greeted at the White House by Mrs. Lyndon B. Johnson.

U.P. Aiding Campaign Against Cystic Fibrosis

WASHINGTON — Increasing recognition of the threat to children posed by cystic fibrosis is indicated by the recent White House visit of a nine-year-old girl.

When Cathy Lucas of Bowie, Md., paid a call on Mrs. Lyndon B. Johnson, she was warmly received by the President's wife.

Cathy was greeted as a representative of some 30,000 young Americans who live round the clock under the life-threatening shadow of cystic fibrosis, or C/F. An inborn chemical disorder, the condition went unidentified until the mid-1930s. Originally it was thought to be rare and always fatal.

Now, however, it is known to be one of the most common serious chronic diseases of childhood. Moreover, with early diagnosis and expert treatment, afflicted youngsters in many cases are living into their teens and beyond, leading doctors to question whether any ceiling should be placed on patients' life expectancy.

Memory Lane

By J. R. LOWELL
Ten Years Ago

Lt. Joseph Sullivan of Minneapolis arrived in Escanaba today to assume charge of the Salvation Army quarters here. His family will arrive here in a few days.

Thomas J. Beaton, son of Mr. and Mrs. Thomas Beaton, State Road, Escanaba, left today for Sacramento, Calif., where he will teach this coming year.

Escanaba High School Class of '44 is holding its reunion at the Dells this evening. George Ruwitch will give the address of the evening and Jack Molin will be toastmaster.

Twenty Years Ago

H. L. Holderman is returning to Escanaba to again assume charge of the C&NW tie plant here.

Warren Beck, English instructor at Lawrence College, who has been attending the Nahma Vacation School, announces that a novel he completed while there has been accepted for publication.

D. A. Beebe arrived in Gladstone from Petoskey yesterday and will assume management of the J. C. Penney Store in that city.

Thirty Years Ago

Congressman Prentiss Brown will be speaker of the day at the Escanaba Labor Day picnic. Mayor C. J. Sawyer will also address the gathering.

The Croatian Fraternity of America will hold a two-day celebration Saturday and Sunday with a picnic on Sunday at which roast lamb (janjetina) and roast pork (pasatina) will be the main dishes served along with many other characteristic Croatian dishes. Many big events are scheduled for the day. Mike Skradski is chairman of the arrangements committee.

Chicago Robbers Steal Computers

CHICAGO (AP) — Sixty calculating machines were subtracted from the offices of Smith-Corona Marchant, Inc., Sunday.

Police said burglars multiplied their crime by using a company truck to carry off the machines valued at \$21,000.

A coast-to-coast campaign is being conducted in September to raise funds for the National Cystic Fibrosis Research Foundation, which is seeking a control for the condition. Cathy, as national campaign child, symbolizes the hope of C/F children and their families everywhere that research will provide the answer to their problem.

Accompanying Cathy to the White House were her parents, Mr. and Mrs. Charles Lucas, and the president of the National Cystic Fibrosis Research Foundation, Dr. Milton Graub, of Philadelphia.

Dr. Graub explained that C/F is believed to be triggered by a missing or defective enzyme or hormone. The result is that the body produces abnormally salty sweat and a thick gluey mucus which interferes with digestion and clogs the air passages. In untreated patients, death usually occurs after frequent lung infections and lung damage and collapse.

"Once the exact mechanism of cystic fibrosis has been clarified," Dr. Graub said, "scientists expect to be able to devise a control—possibly something like insulin for diabetes. Every two hours another American baby is born with the disease. This makes cystic fibrosis a matter of national concern."

The main attack on the problem is being carried forward in 34 Cystic Fibrosis Regional Care, Research and Teaching Centers established by the National Cystic Fibrosis Research Foundation. The centers are in

teaching hospitals affiliated with leading medical schools. Diagnosis and treatment available through the centers are helping many patients avoid the most serious effects of their disorder while the search is pressed for its specific cause.

Cathy has five brothers and sisters, all free of C/F. It is not uncommon, however, for as many as three, four or more children in a family to be affected. Scientists generally agree that C/F is inherited from both parents, neither of whom ordinarily shows any sign of the condition. About one person in 20 is believed to carry the recessive gene responsible for cystic fibrosis.

When she entered school, Cathy attended class for three months. Since then she has had to be tutored at home. She likes swimming and bike riding in moderation, and collects dolls and paper dolls. As part of her therapy, she sleeps every night in a plastic tent into which a mist of water is continuously pumped.

The Marquette-Upper Peninsula Chapter of the Cystic Fibrosis Foundation conducting the September campaign is composed of: Mrs. Daniel Foelker, president, Sawyer Air Force Base; Dr. Richard Haight, vice president, Negaunee; Mrs. Haight, secretary; Clyde Hecox, Marquette.

Canisters have been placed in Escanaba, Gladstone and other Delta County communities and contributions may be made directly to Cystic Fibrosis, Box 157, Negaunee.

The Doctor Says:

Hemorrhage Is Blamed

By Dr. Wayne G. Brandstadt.

Q — Following the birth of my baby I did not menstruate for three years. Last January I started again. Two doctors told me I have Sheehan's syndrome. What is the cause and what is the usual treatment?

A — Just after you had your baby you must have had a severe hemorrhage. As a result of such a hemorrhage, the blood flow to the pituitary gland is reduced and the gland undergoes degeneration for want of enough oxygen. This is the cause of Sheehan's syndrome. The degree of severity varies but failure of the breasts to produce milk and failure to menstruate are common symptoms. There may also be loss of body hair and low blood pressure.

Prompt and adequate treatment of shock and hemorrhage following delivery will prevent this syndrome or limit it to a very mild form. Some victims gradually improve with time. Giving pituitary hormone does no good but thyroid, adrenal and ovarian hormones may be helpful. Most doctors advise against another pregnancy in women who have had this disease.

Q — A few years ago when I had my annual physical examination, my doctor told me I didn't have enough hemoglobin in my blood, so he gave me Trinsicon. When I moved out of the state, I couldn't get it without a prescription. Why is this?

A — Trinsicon is a combination that contains liver and stomach extracts, vitamins B-12 and C, iron and folic acid. It is given for anemia but is obtainable only on a prescription because the folic acid masks the nerve damage that

may occur as a complication of the anemia. Trinsicon-M is made without the folic acid and may be purchased without a prescription.

Q — What causes von Recklinghausen's skin disease?
A — In this hereditary condition, areas of darkly pigmented skin occur chiefly on the back and abdomen. There are also many soft tumors of various sizes all over the body. Although these appear to be skin tumors, they are really nerve tumors within the skin. The condition is painless and does not affect the victim's general health but may be somewhat disfiguring. Because there are so many of these small tumors, removal is out of the question except for those few that may be so large or so located that they cause discomfort from pressure.

Refunds Await About 275,000 'Lost' Taxpayers

WASHINGTON (AP) — The Internal Revenue Service promises something new next year in a perennial effort to make tax refunds to missing taxpayers.

About 275,000 refunds were returned to the government during the fiscal year which ended last June 30 because taxpayers moved without leaving forwarding addresses.

The IRS next year plans to use a new automatic data processing system to match the identity numbers on new returns with the numbers of persons who cannot be found.

So They Say

Men will come to good will in their relationships only when they've had time to think and feel their way along. And an atmosphere of violence just tends to harden our hearts, not open them up.

—Sen. Barry Goldwater, R-Ariz.

Beer and sun do not mix.

—New York City Councilman John J. Santucci advocates proposed ban on beer drinking on beaches in effort to cut wave of violence in the city.

I think we older people ignore students at our peril these days.

—Adlai Stevenson, in commencement address at Colby College, Waterville, Maine.

This is a war for the confidence of the people and the security of those people, and that kind of war is a long, hard war.

—Defense Secretary Robert McNamara after his most recent trip to Viet Nam.

BARBS

By HAL COCHRAN

It's smart to execute good intentions instead of letting them die.

It strikes us as fortunate when you're too poor to have a nervous breakdown.

It's always easy to find a blotter right after the ink on a letter has dried.

The woman who marries for money doesn't have to wait long for her golden wedding.

Ann Landers Housework Done Without Clothes

Dear Ann Landers: I am a homemaker, age 30, have a good husband and three fine children. We are upper-middle class folks who live in an upper-middle class neighborhood and have upper-middle class friends.

When I'm in the house alone in the morning, after the children go off to school and my husband leaves for work, I like to do my housework with no clothes on. Yes, you read correctly—with no clothes on. I pull the shades and draw the draperies. No one can possibly see me.

Last week I confided this to a friend and she said I must be off my rocker—that there is something immoral or sick or both, about a person who would walk around the house with no clothes on.

I don't know why I do it, all I know is I enjoy it. Can you tell me why I do this? Is it sick? Is it immoral?—LADY GODIVA

Dear Lady: I can only guess that you enjoy doing your housework with no clothes on because you like the feeling of total freedom—as some swimmers do. Maybe you enjoy the sheer nonconformity of doing your housework in the nude.

If you wish to walk around in your own home naked as a jaybird or wearing a raccoon coat, whose business is it? It may be unorthodox, but that doesn't mean it is either immoral or sick.

Dear Ann Landers: Some dear friends waited eight years for their baby. The child was born three months ago. Yesterday they learned for certain what they have feared for quite some time. Their child is blind. They will be needing a great deal of emotional support

and encouragement. Any suggestion from you will be appreciated.—SORRY FRIENDS
Dear Friends: I suggest you give the parents a copy of a book, "The Life Of Helen Keller."

This remarkable woman, now 83 years old, was left both deaf and blind at 19 months of age after an illness.

She graduated from college with high honors and dedicated her life to serving the cause of the sightless and the deaf. Helen Keller's magnificent story of how she conquered her double affliction would be especially meaningful to your friends.

Dear Ann Landers: In a recent column you mentioned the Graham Paige. How old are you anyway? I haven't heard anyone mention that make of car in at least 25 years. My father owned a G.P. when I was a boy, and I'm no kid.

I'm glad to know you are in my age group. (P. S.: Why don't you change that picture they print with your column? It must be 30 years old.)—DAYS OF YORE

Dear Yore: Hold it, Dad—I've heard of the covered wagon, too, but that doesn't mean I rode in one.

The picture that runs with my column was made recently and I was born in 1918. Since you're so good at figuring things out, go ahead and figure my age.

Confidential to WHAT'S WITH THE CONFIDENTIALS?: These confidentials are not guessing games, nor are they intended to tease the reader. They are messages for people who ask that their letters not be printed or for some reason prefer not to receive a reply at home. "Interested" parties sometimes write to get more information about the Confidentials, but of course they get none.

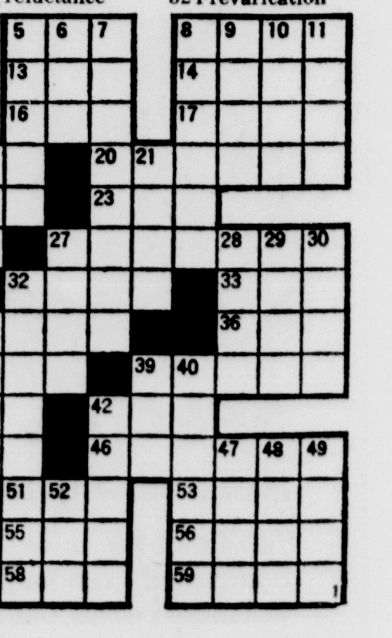

To solve some of the frustrations, disappointments and disillusionments of married life, send for ANN LANDERS' booklet, "What To Expect From Marriage," enclosing with your request 20c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped and self-addressed envelope.

Bethany Lists Meetings Of L.C.W. Units

Meetings of Lutheran Church Women's units, Bethany Lutheran, were announced today.

Miriam unit will meet Thursday, Sept. 3, at 9:15 a.m. at the home of Mrs. Arthur Olson, 1615 8th Ave. S.

Elizabeth meets Thursday at 2:30 p.m. at the home of Mrs. C. P. Johnson, 601 S. 9th St.

Sarah meeting will be held at 2 p.m. Thursday at the home of Ellen Johnson, 302 N. 11th St.

Mary unit also is meeting Thursday, at 8 p.m. at the home of Gladys Swanson, 1129 Stephenson Ave.

Ruth meeting will be held at the home of Mrs. Walter Pearson, 1006 S. 15th St., Thursday at 8 p.m.

Priscilla unit meets Wednesday at 8 p.m. at the home of Mrs. Walter Antonsen, 604 N. 19th St.

Martha unit will meet Thursday, Sept. 10, and the meeting will be held at the home of Miss Sirka Sarrelainen, 1104 S. 19th St.

Retreat Club Meets Wednesday

Marygrove Retreat Club will open its fall meetings at St. Joseph's School club rooms Wednesday, Sept. 2. A corn roast will be served by the outgoing officers at 6:30 p.m. Election of officers for the new year will be held and the season's activities will be planned.

Cooked tripe may be cut in serving-sized pieces, then breaded and broiled.

Women's Activities

Auxiliary Will Meet Wednesday At St. Francis

St. Francis Hospital Auxiliary will hold its first meeting of the new season Wednesday, Sept. 2, at 2 p.m. in the Doctor's Room of the hospital.

It is important that every member attend to plan social activities for the year.

All women of the Escanaba area, interested in joining the membership of the Auxiliary, are most cordially invited to Wednesday's meeting. A committee will meet them at the hospital entrance and guide them to the meeting room.

Social-Club Eagles Auxiliary

The Eagles Auxiliary will have a regular business session Wednesday at 8:30 p.m. at the club rooms. A coffee hour will follow the meeting.

Wait Watchers

The Wait Watchers TOPS Club will hold a meeting Wednesday at 7:30 p.m. at the V. F. W. Hall.

Women's Social Club

The Railway Women's Social Club is meeting Wednesday at 2 p.m. in Carpenters Hall. A social hour will follow the meeting.

Mrs. Robert Dagenais

Jeanine Lippold Wed To Robert A. Dagenais

In a ceremony Saturday, Aug. 29, at St. Thomas the Apostle Church, Jeanine Kay Lippold, daughter of Mr. and Mrs. Harold W. Lippold, 1115 S. 15th St., became the bride of Robert Aldrick Dagenais. Parents of the bridegroom are Mr. and Mrs. Aldrick W. Dagenais, 1410 N. 20th St.

Father Donald L. Shiroda solemnized the 2 p.m. double ring service before an altar adorned with tall vases, holding white gladiolus, mums and pompons with accents of yellow. Soloist was Mary Beth Lippold, young cousin of the bride, who sang "O Perfect Love." Mrs. Robert Anderson was organist.

Bride's Gown

Peau de soie fashioned the bride's gown, detailed with a fitted bodice with a modified scoop neckline and three-quarter length sleeves. The controlled bell shaped skirt featured a folded Watteau train. Her hand rolled veil of silk illusion was gathered to a double Swedish crown of aurora borealis and pearls. She wore a single strand of pearls and she carried a cluster of white orchids with cascading stephanotis and ivy foliage. She was escorted down the white carpeted aisle by her father, who gave her in marriage.

Gold satin gowns, with pleats extending from a bow at the waist, three-quarter length sleeves and bell shaped ballerina length skirts were worn by her sisters, Shirley, who was honor maid, and Gail, who was bridesmaid. Their crowns were a short blush veil of nylon maline over a dainty braid frame, studded with small mock pearls, and their shoes were dyed to match. They also wore a single strand of pearls and their flowers were cascades of bronze Fuji mums and shaded bronze pompons.

Little Terry Lynn Lippold and Randy Lippold, cousins of the bride, served as flower girl

and ring bearer. Terry Lynn's ballerina length white nylon dress had a gold waistband and she wore a matching headpiece. She carried a cluster of carnations and stephanotis.

At Reception

Howard M. Peterson flew in from California where he is stationed in U.S. Army service to serve as Mr. Dagenais' best man. Howard Luft was groomsmen and ushering duties were performed by Gary Jenshak and Richard Vahn of Chicago.

For the wedding and the 4 p.m. reception at Teamsters Hall, Mrs. Lippold chose a two-piece dark brown acetate knit, orange accessories and a hat of pheasant feathers in autumn shades. Mrs. Dagenais was attired in a two-piece suit of nutmeg shade with a scarf collar with fox trim. Her softly draped turban was of beige, nutmeg and orange velvet. Both mothers had corsages of orange tinted carnations.

During the reception, Mrs. William Martinson, and Shirley and Gail Lippold were in charge of gifts. Mrs. Joseph Clairmont and Mrs. Lanny Johnston presided at the silver coffee services and Mary Beth Lippold had the guest book. The six-tiered cake with yellow roses and satin bell top was cut and served to over 300 guests by Mrs. Charles Bradley, Gladstone, godmother of the bride, and Mrs. Dale Lippold, an aunt. Music was provided by Herb Peterson's orchestra.

Tour Of West

The newlyweds after a honeymoon tour of the West will reside in Escanaba Rte. 1. For going-away the bride wore a three-piece white acetate knit with green, beige and orange embroidery trim on the jacket, complemented by green accessories and an orchid corsage. Both are graduates of Escanaba Senior High School. She is employed by Prudential Insurance Co. and he is owner-manager of Piggly Wiggly Super Market.

The bridegroom's parents gave the rehearsal dinner Friday evening at the Dells Supper Club.

Barbara Fish Will Teach In Rapid River

RAPID RIVER—Miss Barbara Fish will join the Rapid River High School faculty this coming school term. Miss Fish, a graduate of Purdue University, West Lafayette, Ind., will teach junior high science and math classes. A daughter of Mr. and Mrs. Raymond Fish of Escanaba, she received her B. S. degree this summer from Purdue. She will replace William Millman on the teaching staff.

The driver's education course at Rapid will be taught by Bernard Olson. A new course will be offered at the high school this year reports Principal Norman Slough. Mrs. Ray Phillips will teach economics which will be offered to the senior class.

School Annals

Mary Anderson reports that Rapid River High School's annals are at the school. Those students ordering yearbooks may pick the books up at the high school.

A suspicion of sugar and nutmeg added to creamed spinach or celery gives these vegetables a lift.

Miss Valiquette And Ronald Schram Wed

Ronald James Schram claimed Barbara Jean Valiquette as his bride in a 9:30 a.m. ceremony performed by Father William Richards Saturday, Aug. 29, at St. Anne's Catholic Church in Escanaba. Yellow and peach shade gladiolus were in the gold altar vases.

The bride is a daughter of Mrs. Rita Valiquette of Escanaba Rte. 1 and the late Royal Valiquette. Mr. and Mrs. Peter Schram, 410 Michigan Ave., Gladstone, are the bridegroom's parents.

The reception and wedding dance were held at the American Legiona Hall in Gladstone.

Sisters of the bride, Yvonne Marie and Nancy Anne were her maid of honor and bridesmaid. David Allen Schram was best man for his brother. Groomsmen were John Gendron and David Trotter. Seating the guests were James Hyer of Skandia and Harry Gillis.

Escorted By Brother

Completing the bridal party were two little flower girls, Katherine Valiquette and Mary Margaret Schram, a miniature bride, Margaret Anne Valiquette and a ring bearer, Ricky Novack, Ensign.

The bride was escorted by her brother, Lawrence Royal Valiquette, who gave her in marriage. Her gown of Chantilly lace was designed with a scoop neckline and long tapered sleeves, accented by pearls and rhinestones. The bouffant skirt of tiered lace and tulle was detailed with a lace apron, caught up with satin bows and lily of the valley. Tiers of lace and tulle formed the detachable chapel train. A pearl and tear-drop crown held her fingertip veil of illusion. She carried a cascade of white carnations and yellow roses with ivy foliage.

The honor maid was attired in a floor length gown of mint green satin and the bridesmaid wore apricot. Their dresses featured A-line skirts and were worn with brocade jackets. Their headpieces of fall mums and pompons in shades of green and apricot.

Katherine and Mary Margaret were in floor length apricot frocks with apron fronts and they carried bouquets of fall shades to match the dresses. Margaret Anne's floor length dress was white satin and lace with a velvet bow at the waist

Central WSCS Members Will Meet Thursday

The Woman's Society of Christian Service, Central Methodist Church, will meet Thursday at 2:30 p.m. at the church.

The program will deal with work among Spanish Americans at Homer Toberman Settlement House in San Pedro, Calif., Neighborhood House, Calixico, Calif., Holding Institute, Laredo, Tex., Central Texas Rural Work, Coryell County, Tex., Miami Methodist Latin Center, Wesley Community House in Key West, Bidwell-Riverside Center in Des Moines, Frances De Pauw Home, Hollywood, Harwood School, Albuquerque, West Side Community House, Cleveland, Newark Methodist Hospital, El Paso and Church of United Nations Neighborhood House, New York City.

Hostesses will be Mrs. Ted Baldwin, Mrs. Burton Butler, Mrs. Clifford Frasher and Mrs. Marvin Vanderville.

The meeting is open to all members and friends.

Personals

Mr. and Mrs. Joseph Gregoire returned last night from a visit with relatives in Minneapolis and St. Paul.

MANISTIQUE Business Health Vital To Nation

"The strength of our economy rests upon modern day prophets — business and professional men — whose profit or loss decisions affect growth and progress, Wyatt F. DeLoache, midwest district manager of Dupont's extension division said in a talk for Rotary Monday.

"In the United States, we have developed an economic system of unsurpassed productive capacity because the driving force of this economy is profit-seeking economic freedom," he said.

DeLoache pointed out that for any business manager, whether he be a junior high lad with a vacation lemonade stand or the president of a large corporation, the game and the goals are fundamentally the same.

"Each seeks to earn a profit on his invested capital. But if he fails to serve society with his venture, he not only will fail to earn a profit but will lose capital and fail completely."

"Our society guarantees each person a right to try to succeed, not success itself. Anyone is free to launch a business, but his customers are free to go elsewhere if and when they desire. Competition is a great regulator."

"Should the manager find that freedom to fail counterbalances freedom to succeed. Our economy gets into trouble every time it meddles with the counterbalance. The subsidization of failure only tends to perpetuate mistakes."

Expressing concern at the lack of economic understanding, DeLoache said profit-seeking should not be confused with profiteering. In a free economy, profit is not a measure of the earner's avarice, but of his service, not of his greed, but his good.

Summing the advantages of

Personals

Returning to their homes after visiting with Mrs. George Mero are Peter Winandy of San Leandro, Calif., Doris Winandy, Detroit and Susan K. Gutshall, Napa, Calif., who spent the summer here.

profit, he said "When a business fails to earn a profit, it can achieve little else. A company without profit becomes a poor provider for its employees, a non-contributor to the U. S. treasury, a shaky source of supply for its customers, a bad credit risk for its suppliers, an unlikely supporter of community projects, a loss to the providers of its capital and an improbable place to look for a job."

In contrast to the Communists, he said the strength of the U. S. economy and its ability to grow and progress lies in the vitality of the independent decision-making of its literally hundreds of thousands of business and professional men. Responding to Krushchev's "We will bury you," he predicted:

"Unless we fritter away our economic freedom, it is the communists who will remain buried under our superior production. History can then give Mr. Krushchev his rightful place — in the front rank of false prophets. I'm sure Russia and China would have loved to have been in the position we were in when we were deciding whether to sell them our surplus wheat," DeLoache stated.

Rural Schools Begin Sessions In County Sept. 8

Rural schools of Schoolcraft County begin Sept. 8.

A teachers meeting is scheduled at 1:30 p.m., that day in Lakeside school.

Hagie Quarnstrom, superintendent of the newly-formed Schoolcraft and Delta county intermediate district will attend, as will Mrs. Ludwig Hough, deputy superintendent.

Hospital

Admitted to Schoolcraft Memorial Hospital were Terry Paketty, 5520 Garden Ave.; Samuel Broen, Jr. Route 1; Dorothy Barr, 924 Deer St.; Debbie Ackerman, Blaney; Viola Gould, N. Second; Francis Swagart, Cooks; John Treziak, Munising. Discharged were Tommy Shampine, James Vanderark, Oscar Powells. Doris Archey and baby, Edward Anderson, Elmer Lake, Hazel Schwartz, Paul Gerlach and Connie Donovan.

Briefly Told

Mrs. Joseph Gardapee, Rte. 1 is a surgical patient in room 215 at St. Mary Hospital in Marquette.

Mrs. Earl Gould, who fell on Bear St., was taken by ambulance to Schoolcraft Memorial Hospital at noon Sunday.

George A. Shaw DeMoley chapter meets at 7:30 p.m., today (Tuesday) in the Masonic Temple. Officers will be elected.

State Police ticketed Marlene Moleksi, Flint, Alan English, Cleveland, Everett Harrell, Radford, Va., and Raymond Gotvalt, Philadelphia for speeding; Thelma Bakely, Greenville, following too closely; Steven T. Poast, Rockford, Ill., speeding and excessive muffler noise.

Costs of \$4.30 were assessed in Justice Court to Thomas L. Tigras, 17 of 128 S. Houghton for malicious burning in a case stemming from burning of "beach buggies" on Lake Michigan. The others involved were under 17 and referred to juvenile court. Tigras has been placed on probation for one year. Restitution has been made.

A plea of guilty to a charge of driving under influence of liquor was entered in Justice Court by Beth Margaret Beckwith, 40 of Munising. She was arrested by State Police at 7:55 p.m., Sunday on US-2 in Doyle township. Officers said she nearly collided with two cars, forcing them off the road. Fine of \$50 and costs of \$4.30 were assessed and her driver's license was revoked.

Markets Close On Labor Day

NEW YORK (AP)—All United States and Canadian securities, commodities and other financial markets will close next Monday, Sept. 7, in observance of Labor Day.

Heading the list are the New York Stock Exchange and the Chicago Board of Trade. In general, overseas markets will function as usual, including the London Stock Market.

Wampum, the media of exchange between early explorers and Indians in America, consisted of tiny purple and white pierced beads made from the inner sides of clam shells. Colored beads were the more valuable.

A SOPRANO singing star of the Duquesne University Tamburitza models the Croatian (Posayina) costume which she wears in performances such as that scheduled at Manistique Sept. 17 under auspices of Manistique Knights of Columbus Council 2026.

Tamburitza Show Booked Sept. 17 At Auditorium

The Manistique Knights of Columbus will present another performance by the Tamburitza group Thursday, Sept. 17 at 8 p.m., in the Manistique High School auditorium.

Proceeds will be for the Bishop Baraga property purchase. The Duquesne University Tamburitza, recognized for portraiture of Slavic and Balkan folk art were here last year also.

They are veterans of three European tours as well as 100 performances in the U. S. and Canada. They are the only collegiate performing group of this type.

Many beautiful, handmade costumes which are found in Europe are used in the productions, which have dances, rituals, songs, customs and folklore.

The students are selected for their talent and perform in addition to their regular academic studies. Their productions have been the incentive for Metropolitan opera, TV and stage careers.

Vacationer Dies

Mrs. Floyd (Velma) McDowell, 51, who suffered a stroke while on vacation here from Flint, died Friday afternoon in Schoolcraft Memorial Hospital. She was born May 10, 1913 in Lapeer county. She was a patient two days. The body was removed by Kefauver & Jackson Funeral home to Flint.

GLADSTONE

Auxiliary Gets New Officers

Mrs. Reynolds Redstrom was installed president of the Auxiliary of August Mattson Post, American Legion, at an installation dinner at the club-house Monday evening. Mrs. Everett Johnson of Rapid River was the installing officer and was presented with a gift.

Other officers installed to serve the club for the coming year are Mrs. Fred Breitzman, first vice president; Mrs. Fern Dahlgren, second vice president; Mrs. Lawrence Grenier, secretary; Mrs. Joseph Martin, treasurer; Ms. Emma Feldt, chaplain; Ms. Isabell Schenk, historian; Mrs. J. J. Gnat, sgt.-at-arms, and Mrs. Edw. Strom, assistant sgt.-at-arms.

Serving on the executive committee are Mrs. Carl Johnson, Mrs. Emma Feldt and Mrs. Ann Tittsworth.

Mrs. Mrs. Erma Terrian is in charge of the welfare committee, Mrs. Harvey Groleau, rehabilitation; Mrs. I. S. Willis, publicity; Mrs. Clifford White, sunshine committee, and the membership committee will be directed by Mrs. Redstrom.

Mrs. Clifford Mineau was in charge of arrangements for the installation dinner.

Float Is Planned By 4-H Club For Labor Day Parade

The Gladstone Community 4-H Club will enter a float in the Rock Labor Day parade. The committee in charge of arrangements made final plans and chose a theme at a special meeting held at the home of Chris Stockholm recently.

In addition to the float, members of the club will form a walking unit. Those planning to participate will wear white shirts, blouses or sweat shirts. They are asked to contact Christine Stockholm by Saturday.

Anyone able to provide transportation for the group to arrive at the Lion's Club in Rock by 9:30 a.m. Monday is asked to call Mrs. Robert Walker at 425-0971 or Christine Stockholm at 428-9540.

Members on the planning committee for the activity include Barbara Marshall, Steve Helman, Margaret Walker, Judy Watson, Lori and Vicki LaFave and Christine Stockholm.

Gladstone Port Gets \$172,000

WASHINGTON (AP)—President Johnson signed Monday a bill appropriating \$8.84 million for Michigan water projects.

The Michigan appropriation was included in a \$4.4 billion measure covering water projects in most of the 50 states plus finances for the Atomic Energy Commission. The money is for projects in the fiscal year which began July 1.

State projects for which money was appropriated were: Construction — Charlevoix Harbor, \$150,000; Gladstone Harbor, \$172,000; Manistique Harbor, \$500,000; Marquette Harbor, \$150,000; Muskegon Harbor, \$500,000; Muskegon Harbor breakwaters, piers and revetments, \$15,000; Rouge River, \$400,000; St. Mary's River, new Poe Lock, \$5.5 million; Saginaw River flood control, \$750,000.

Planning — Leland Harbor, \$91,000; New Buffalo Harbor, \$50,000; Saginaw River navigation, \$120,000.

Surveys—Charlevoix Harbor, \$20,000; Clinton River, \$23,000; Grand River Basin, \$175,000; Harrisville Harbor, \$10,000; Huron River, \$40,000; Lake Erie coast, Michigan and Ohio, \$25,000; Manistique and Indian Rivers, \$25,000; St. Joseph River, \$100,000; shore of Lake Huron, \$25,000.

Briefly Told

State Police ticketed James Kossow of Perkins for driving on the wrong side of the road.

Personals

Mr. and Mrs. J. W. Norby and daughter Kris returned to Madison after visiting relatives and attending the Valliquette-Schram wedding.

Mr. and Mrs. John Schram accompanied their son Dan to Houghton Sunday, where Dan will attend Houghton Tech.

Scouts Return From Island

Over 60 people from the Gladstone-Escanaba area returned Saturday from an enjoyable week of scouting on Mackinac Island. The group consisted of Boy Scouts from Troop 466 and were accompanied by guest scouts from Escanaba, Rapid River, Rock and Manistique.

The adults on the trip were scoutmasters Melvin Strom, David Scherff, Carl Westerback and Harold Sjoquist of Gladstone and Ted Hentschell of Manistique. Transportation to the island was by a Gladstone High School bus and the Scout's gear and food was transported through the courtesy of Clairmont Transfer Co. of Escanaba.

The Scout Barracks on the island, built in 1934 for a capacity of 45 scouts, was literally bugging at the seams. The barracks consists of an upstairs bunk area, a dining hall, kitchen, showers, toilets, two staff rooms and halls.

The excellent weather during the week permitted the local group to spend much of the time outside for both work and play.

Some of the outstanding activities of the week were: a trip to the Moral Rearmament Assembly buildings; a trip to Mackinac City and a tour of the restored Fort Michilimackinac and a tour of the Grand Hotel.

Daily activities enjoyed by most were: hiking, cycling, carriage riding, swimming, group singing and a scavenger hunt that was won by Rod Van Brocklin's patrol.

The scouts were appointed to guide duty and assisted tourists visiting the Fort and directed them to the various points of interest.

The group returned home with only two casualties reported: Rick Lorenson was cut in the head by a bottle thrown by a tourist from Arch Rock. The cut required eight stitches. Jim Dehlin fell while returning from a flag post and fractured his right arm.

Women Bowlers Start Season

The Womens Night Bowling League at Midway Lanes will begin bowling Wednesday evening, Sept. 9. Teams are being organized and anyone wishing to bowl this season or having questions are asked to contact the league secretaries, Mrs. Gen Kennedy, Josie Kinkella, Margaret Long or Joan Oathout.

The Early Wednesday League will bowl at 6:45 p.m. and the Late Wednesday teams at 9 p.m. The Early Thursday hours are from 5 to 7 and the Friday Night League will bowl at 9 p.m.

Whitefish Area Resident Dies

Miss Lottie M. Goodman, 79, a life long resident of the Whitefish area died in her sleep Saturday night.

Miss Goodman was born in 1885 and was the daughter of the late Mr. and Mrs. Goodman Scheline. She was a member of Calvary Baptist Church in Escanaba.

Survivors include: one brother, Otto Goodman, Gladstone; one sister, Mrs. Etta Fredrickson, Minneapolis and several nieces and nephews.

Friends may call at the Skradski Funeral Home from 7 to 9:30 p.m. today. Complete funeral services will be held at the funeral home at 8 p.m. Wednesday with Rev. Donald Wolfe officiating. Burial will be in the Rapid River Cemetery.

Field Is Set For State Softball Tourney

Two Games Will Open Action Friday Night

Eight of the top softball teams from throughout Michigan, including two from the Upper Peninsula, will compete in the state Class B championship tournament which opens at Memorial Field Friday night.

The double elimination tournament will run through Monday, with the title contest scheduled for 3 p.m. on Labor Day.

Carrying the colors of the Escanaba Softball Association, which is serving as host for the tournament, will be Hamms-Merchants. They earned the right to an automatic berth in the tournament by winning the Escanaba league crown this season.

The other Upper Peninsula representative is Negaunee MULIC (Midwest United Life

OFFICIALS MEET

At a meeting of team managers, umpires, state and Escanaba officials will be held Saturday at 8:30 a.m. at Spar's to outline tournament and ground rules and schedules. It was announced today by Bob Jensen, tournament manager. Tourney directors also announced that work bees will continue at Memorial Field each evening starting at 6 this week to groom the diamond for the state tourney.

Insurance Co.), winner of the U.P. Class B tournament crown at Iron River last weekend.

Both the Upper Peninsula representatives will see action on the opening night of the tournament. The Friday night schedule calls for Negaunee to face Scottsville in the opener at 7:30 and Hamms to meet Saginaw in the 9 nightcap.

There will be three games Saturday, at 11, 1:30 and 3. Sunday's schedule calls for four games at 2, 4, 6 and 8. Monday

Spartans Get Mile Target

EAST LANSING (AP)—While Michigan political candidates are worrying about the primary today, candidates for the Michigan State football team are concerned about running a mile in six minutes.

That was one of the first tests posed by coach Duffy Daugherty as his 1964 football team opened practice with 79 candidates.

As in the massive group in the political primary, these early grid runners will be whittled down to a limited number of players—such as the 38 allowed on Big Ten football trips.

Would-be candidates for the Spartan grid team, however, will be allowed a second chance to prove they have the wind for a long run—especially some of the bulky linemen.

Daugherty, now in his 11th year as MSU coach, admits he has problems.

"I hope the squad attitude and desire will cause some pleasant surprises," he commented at Monday's press day.

"On the point of experience, we'll have the leanest squad in years. We need to have some of our sophomores come through in a hurry."

State has 22 lettermen back, but will be losing 14, including about a dozen of the top players.

Dallas Ignores LeBaron, Calls Up John Roach

By The Associated Press
Eddie LeBaron had his undersized shoulder pads dusted off and his bags packed but the phone call from Dallas never came.

LeBaron, the 5-foot-7, 165-pound aerial magician who quit the Dallas Cowboys last December after 11 National Football League seasons, made it known Monday that he would consider returning for another year if his old club, weakened by the knee injury to quarterback Don Meredith, so wished.

The Cowboys however, ignored Eddie's offer and lured another veteran signal-caller, 31-year-old John Roach, out of retirement to meet the emergency.

Roach, who understudied Bart Starr at Green Bay in 1963, belonged to the Packers so the Cowboys traded a future draft choice for his contract. The six-year NFL veteran, who works for an investment firm in Dallas, welcomed a return to the game in the same city.

Cowboys' Coach Tom Landry said Roach was approached "because he has a number of years left in which he can play with us if he wants to threaten

Oliva Could Rewrite Six Rookie Records This Year

By The Associated Press

Tony Oliva, Minnesota's rookie sensation is within striking distance of six American League records for first-year players.

Oliva, whose real first name is Pedro, continued his heavy hitting Monday, lashing a double and a single and scoring the winning run as the Twins edged Washington 2-1 in the only American League game scheduled.

In the only game on the National League program, Maury Wills and Wes Parker, who had one homer between them going into the game, each connected in support of Don Drysdale and powered the Los Angeles Dodgers to a 12-3 victory that snapped St. Louis winning streak at six games.

Oliva adopted his new first name in 1961 when he borrowed his brother Tony's passport to get out of Cuba. Since he's been with the Twins this year he's learned to adapt himself to American League pitching.

The 24-year-old left-handed swinger currently leads the league in four departments—batting, hits, runs scored and doubles while threatening a half-dozen rookie marks.

Here's the way Oliva and the

record-holders compare:

Average — Oliva is hitting .332. Dale Alexander set the AL mark of .343 with Detroit in 1929.

Hits — Oliva has 184. Alexander holds the AL record with 215. The major league record — which may be out of reach — is 223 by Lloyd Waner of Pittsburgh in 1927.

Runs — Oliva has scored 99 times. Joe DiMaggio of the New York Yankees is the AL record-holder with 132 in 1936. Waner holds the major league record of 133.

Doubles — Oliva has 36. Roy Johnson slammed 45 for Detroit in 1929.

Homers — Oliva has 28. Jimmie Hall of the Twins set the AL record with 33 last season.

Total Bases — Oliva has 318. D-Mag holds the AL record of 367 set in 1936.

Oliva scored what turned out

Injuries Hit Eskymo Camp

The injury jinx struck a severe blow at the Escanaba football camp this week when senior quarterback Jerry Hanson suffered a knee injury that will sideline him for the season opener at Menominee Saturday night.

Coach Jerry Cvengros stated that Hanson could be back in uniform in about two weeks but that he will likely be handicapped all season by the injury that was sustained in practice last week.

Cvengros stated that Mike Gafner, also a senior letterman at quarterback, will get the starting assignment against Menominee.

Also on the injured list is halfback Chuck Brookes who is a doubtful starter because of a sprained ankle. Pete Benson has been filling in at his spot.

Central Opens Grid Practice

MOUNT PLEASANT (AP) — Forty-seven men, including 27 lettermen, turned out Monday for the first football drill and scrimmage session at Central Michigan University.

A university spokesman said the turnout was the smallest in 14 years.

Central meets Wisconsin State College Sept. 12 at Saginaw in the 13th annual Red Feather game, the season opener.

Fight Results

By The Associated Press

TOKYO — Makoto Watanabe, 147, Japan, knocked out Lee Kyo San, 147½, South Korea, 4,

to be the winning run against the Senators when he singled in the fourth inning and came around on a single by Don Mincher and Hall's double. Zoilo Versalles supplied the other run with a third-inning homer.

Jim Grant had a three-hit shutout going until the eighth when wildness put him in a jam. Two walks and Don Blasingame's single brought in a Washington run and a Minnesota reliever, Bill Pleis, Pleis struck out pinch hitter Fred Valentine to end the rally.

Backed by Wills' second homer of the season and Parker's

first, Drysdale brought his record to 15-13. He struck out 12 Cardinals for a season total of 291 — second only to the 223 fanned by teammate Sandy Koufax.

Drysdale also delivered a key hit as the Dodgers struck for five runs in the fourth inning and put the game out of reach. With two out in the inning, Drysdale tied the score 2-2 with a two-run single.

Wills then walked to load the bases and Dick Tracewski followed with a grounder to third on which Ken Boyer threw wild, enabling three runs to score.

Pistons Sign Willie Jones

DETROIT (AP)—The Detroit Pistons announced Monday that guard Willie Jones has signed his contract for the 1964-65 National Basketball Association season.

Jones, who averaged 8.2 points last year, will be playing his fifth season in the NBA.

Yesterday's Stars

By The Associated Press

BATTING — Wes Parker, Dodgers, hit his first home run of the year and two singles in a 12-3 victory over t. Louis.

PITCHING — Don Drysdale, Dodgers, struck out 12 Cardinal batters, bringing his season total to 291 — second only to teammate Sandy Koufax — and won his 15th game as the Dodgers snapped St. Louis' six-game winning streak.

In This Corner with Ray Crandall

The Kingsford Flivvers, defending Upper Peninsula champs, are well stocked with returning lettermen this fall... Heading the list is Dick Berlinski, everybody's choice as Upper Peninsula back of the year in 1963... Other standouts back in the fold include tackle Dwight Romagnoli who goes 6-4 and 238 pounds and quarterback Dick McCarthy who tossed eight touchdown passes last year.

Berlinski is one of the most exciting football players produced in the Upper Peninsula since Manistique's Ron Rubick haunted the region's gridirons... The 5 foot 9 inch, 172 pound left halfback last year scored 20 touchdowns and 13 extra points for 133 points, gained 1,194 yards in 178 carries, caught eight passes and intercepted the same number... In his Kingsford career under Coach Rae Drake, Berlinski has gained 2,083 yards rushing and has scored 233 points.

Wakefield, a team that won seven of eight starts last fall, faces a rebuilding chore under the guidance of Coach Duane Lane this year... The Cardinals lost heavily through graduation, including All-U.P. and Michigan-Wisconsin all-conference performers Terry Salmi, Mickey Ginolfi and Chris Zuidmulder.

The Marquette Iron Rangers are eager to sign Jim Jacobson, recent Michigan State University graduate, for their inaugural season in the United States Hockey League... Jacobson starred on defense for the Spartans and is a home town boy here from his days with the Marquette Sentinel... Green Bay, Waterloo and Rochester of the USHL are also interested in the rugged performer.

Gordy LeDuc, former Powers-Spalding coach, is a member of the Marquette Park Tavern team that defeated Remillard's 5-4 to win the city playoff championship.

Preble's Hornets, new football foe for both Escanaba and Holy Name this fall, have a solid corps of returning lettermen from the team that fashioned a 7-1 record last season... Coach Bill Dessart's team faces a rugged schedule, meeting Abbot Penning, Madison LaFollette and Madison Edgewood, Menominee and Marinette in addition to the two Escanaba schools.

Ken Neal, 6 foot 1 inch, 205 pound senior tackle from Soo will serve as co-captain of Coach Morley Fraser's Albion College football team this season... Fraser, whose Britons fashioned a 6-3 record last year, has 28 returning letter winners.

Healthy Y.A. Tittle Key To Success Of NY Giants

Seventeenth of series on pro football team prospects.

By JACK HAND Associated Press Sports Writer

FAIRFIELD, Conn. (AP) — As long as Y.A. Tittle stays healthy, the New York Giants have to be a threat to win a fourth straight Eastern Conference title in the National Football League.

Despite the exhibition defeats and the trades that disposed of Sam Huff and Dick Modzelewski of the proud defensive unit and Phil King, the Giants' top running back in 1963, Allie Sherman has a pass-happy club that always will be a long-ball threat.

Always, that is, as long as Tittle stays in one piece. Perhaps an experienced back-up quarterback will be acquired before the season starts. As of now, the chores will fall on rookie Gary Wood of Cornell, an Ivy Leaguer who was drafted as a defensive back.

Tittle has shown no signs of the knee injury that he suffered in the championship game loss to the Chicago Bears last December.

Tittle went out of last Saturday's exhibition against Washington with a similar knee injury, but it was not regarded as serious. Y.A. said he could have returned to the game but Sherman kept him on the bench as a precaution and gave Wood another chance to perform.

The rookie responded by throwing three touchdown passes against Philadelphia. Ball control, the Giants will not have, unless they have some more deals up their sleeves. The offense must go strong for the pass to Del Shofner, Aaron

Thomas, Frank Gifford or newly acquired R.C. Owens, while Dick James, Alex Webster and Joe Morris chunk out a few yards on the ground.

The startling off-season trades of Mo and Huff were followed by two more shockers last week. King went to Pittsburgh, despite a shortage of running backs. Joe Don Looney, drafted No. 1 as a potential runner, was peddled to Baltimore before he ever carried the ball for the Giants.

The reactivation of Andy Robustelli, who had retired as a defensive end to become a full-time coach, marks a concession to a shaken defensive unit.

Sherman, of course, has the No. 1 passer in pro football in Tittle, the 37-year-old bald eagle who set a league record last year with 36 touchdown passes. Shofner, Gifford and Morrison have been his favorite targets and now Owens, an old San Francisco mate, has been added. Thomas and Bobby Crespino, acquired from Cleveland, have been battling Joe Walton for the tight end job.

Doubt about Webster's physical condition still clouds the backfield situation. If Webster has shake off the back trouble he will be the fullback, backed by Morrison, and James, ex-Washington Redskins, is the left halfback. Bachalback, Back of rookies — 27-year-old Ernie Wheelwright at full, and speedy Clarence Childs of Florida A&M and Steve Thurlow of Stanford at halfback.

The offensive line is a veteran unit, except for right tackle where rookie Roger Anderson or Lae Howell will spell Jack Stroud, Rosey Brown is at the

Bill Miller, Set To Retire, Hits Top In Politics

By ROBERT T. GRAY
LOCKPORT, N.Y. (AP) — Bill Miller, born here 50 years ago in what he calls "an ordinary Irish - Catholic middle-class neighborhood," reached a political pinnacle as he was about to forsake politics.

Some fellow townsmen appear a little dazed at developments as they prepare to give him a send-off Saturday for his campaign as the Republican vice-presidential nominee. But others better acquainted with hard-hitting William Edward Miller profess no particular surprise.

Father Was Janitor
Miller is the type of political candidate the folk of another era would have heralded as a self-made man. He was born in a two-story, cream-colored frame house. His father, in Miller's own words, was a maintenance man "or janitor or whatever you want to call it" for the city.

His mother ran a dress and millinery shop not far from the family home. Both parents are dead.

Miller lived in the house in which he was born until he left

home to attend Notre Dame University. After Notre Dame, he attended Albany Law School, served in the armed forces and returned to Lockport to practice law and begin a political career.

As a boy, Miller walked half a dozen blocks to St. Patrick's Parochial School. On Sunday, he walked to Mass at the parish church. After St. Patrick's, he walked to Lockport High School in a building now razed.

"We never had a car," Miller explains. "We walked almost everywhere."

City Is Republican
As a young man, the vice-presidential nominee also walked away from the political party of his parents.

"They were long-time Democrats but shifted the first time I ran for office, for district attorney," Miller recalls.

If Miller had not become a Republican he probably would not have won his first election. Lockport is known as a Republican city.

It grew out of the construction of the Erie Canal, built in the 1850s to link the Hudson River with Lake Ontario. Horse-towed barges carried cargo that played an important role in development of the West.

At Lockport, husky construction crews slashed through a 60-foot escarpment. They created five locks that gave the city its name.

Modern Lockport is a far cry from the days of the rough and tough workmen who built the canal and the early boatmen who piled it. It is a city of gracious homes and dotted with churches and schools. About half of Lockport's work force of 10,000 is employed by the Harrison radiator plant of General Motors.

Was Ready To Retire
On the eve of "Bill Miller Day" and the formal opening here next Saturday of Miller's campaign, Lockport residents have two principal topics of conversation. Along with speculation about Miller's unexpected prominence, they worry about the possibility of general strikes in the automobile industry. A strike would close the radiator works and cripple local economy.

While a congressman, Miller has maintained a summer home in Olcott, 12 miles away on Lake Ontario, and another home in Washington. Before his nomination he had announced plans to retire from politics and resume the full-time practice of law in Lockport.

Immanuel Church Plans Dedication
Plans are being completed for the dedication of Immanuel Lutheran Church of Escanaba on Sunday, Sept. 6.

Two services will be held that day, the first at 10 a. m. and the second at 2:30 p. m. The public is invited to attend these events.

Priority Given
The selection of Jerusalem adds significance to the proposal, since the ancient city is holy to Jews and Moslems as well as Christians.

The official did not know when the center would be started but he said the project was being undertaken on a priority basis.

Pope Paul's meeting with Athenagoras was the first personal encounter between the head of the Roman Catholic Church and an Orthodox patriarch in five centuries.

Council May Extend Deadline On City Taxes
The Escanaba City Council will meet at 7 p. m. Thursday in the Council Chambers at City Hall for action on a variety of business that will include consideration of extending the payment deadline on city taxes from Sept. 10 to Oct. 15.

Objections will be heard to the improvement of Willow Creek Road; a report of progress on the 1964-65 capital improvement program will be presented; and there will be received by the Council the report of engineering consultants on the natural gas feasibility study.

A resolution requested by the State Highway Department in connection with application of the City to construct and maintain a water main along the west side of M-35 between 5th and 8th Ave. S. will be considered by the Council also.

THIS SMALL STONE wheel, about 1 1/2 inches wide, found earlier this month in excavations at L'Anse au Meadow, Newfoundland, is regarded as further proof of a Viking settlement in North America about the year of 1000. The National Geographic Society says the wheel was discovered by Norwegian archeologist Anne Stine Ingstad, who says it served as a flywheel on a wool-spinning spindle, and is called a "spindle whorl." (NGS copyright photo via AP Wirephoto)

Three Fined On Game Charge

Three 17-year-old Milwaukee young men who were charged with illegal possession of venison paid a total of \$300 fines and \$27.55 costs when they pleaded guilty last week before Justice Ross Davis.

The youths were arrested by Conservation officers on Sunday, August 23 on the Stonington Peninsula and had been in the Delta County Jail. All three had their hunting licenses suspended for three years.

The three are: Ricky Schroeder, Terry Schmidt and William Burke. A fourth young man also arrested on the charge pleaded not guilty and is scheduled to appear for trial on Sept. 16.

Obituary
MRS. ROSE PORATH
Services for Mrs. Rose Porath were held at Salem Lutheran Church Monday at 2 p. m. The Rev. John J. Wendland officiated. Burial was in West Ford River Cemetery. Pallbearers were Fred and Ernest Krause, Leslie, Robert, Earl J. and Jack Porath.

MRS. PAULINE WAGNER
Funeral services for Mrs. Pauline Wagner were held today at 10 a. m. at St. Michael's Church in Personville with Rev. Raymond Smith as celebrant of the requiem high mass. Honorary pallbearers were members of the parish Rosary Society. Pallbearers were Frank Duptula, Thomas Bartozek, Jerry Shiverski, Bert Weichiech, Walter Bartosz and Joseph Bartosz. The body was taken to Niles, Ill., for burial in St. Adalbert's Cemetery.

Briefly Told
Application for a marriage license was made with County Clerk William Butler by Richard A. Feenstra, K. I. Sawyer A.F.B. and Bonnie J. Sanford, Rte. 1 Gladstone.

A special meeting of Delta Chapter 118, R.A.M., will be held at the Masonic Temple Thursday, Sept. 3, at 7:30 p. m., for the purpose of conferring the Royal Arch degree. All members are urgently requested to be present.

Escanaba Police said today they were informed that it was Louie Kintziger, 1017 Lake Shore Drive, who rescued a boy who rode his bike off the Municipal dock and plunged into the water of the bay Saturday afternoon. He also recovered the boy's bike, police were told. The name of the boy, however, has not been learned by police.

Pitchers Play Important Role

By The Associated Press
A bad arm. A strong back. A new face. And an old head. They belong to four different pitchers, who represent the most important commodity as the major leagues head today into the last month of the season.

The bad arm belongs to Sandy Koufax, the ace left-hander of the Los Angeles Dodgers, who was advised by a doctor Monday not to pitch again this season.

The strong back belongs to Juan Marichal, the ace right-hander of the San Francisco Giants, who passed his physical and was pronounced fit to pitch again.

The new face belongs to Masanori Murakami, a left-handed relief specialist called up by the Giants, who will become the first native-born Japanese to play for an American major league team.

The old head belongs to Sad Sam Jones, a 38-year-old right-hander purchased by Baltimore to bolster its pitching staff in the American League pennant scramble.

Koufax, the winningest pitcher in the majors with a 19-5 record and a 1.74 earned run average, underwent an examination on his inflamed left elbow in Los Angeles and was told not to attempt to pitch any more this season.

Tigers To Face Top Contenders

CHICAGO (AP)—The Detroit Tigers will be trying to play the role of spoilers when they open a two-game series with the Chicago White Sox tonight.

It's a role the Tigers will have to get used to, because the final month of the regular season pits them against one of the top three contenders in at least two games each week.

The Tigers themselves are currently leading the race for fourth place and Manager Charlie Dressen would like nothing better than a repeat of last month's record—a fine 20-10.

August has been a good month for the Tigers of late. They were 22-9 in 1961 and 22-8 last year. They were only 18-15 in 1962 but even that is better than their record in any of the first four months this year.

On the other hand, September has been a bad month. Three years ago the Tigers dropped out of the pennant race, after dogging the Yankees for most of the season, when they could manage only a 14-14 record in September.

Yaz Concedes Batting Title

KANSAS CITY (AP)—Carl Yastrzemski, 40 points down in the statistics and somewhat down in the mouth, has conceded his American League batting title to Minnesota's brilliant rookie Tony Oliva.

"He'd have to fall into a real slump for anyone to beat him," Yaz said Monday of the young Cuban, who now is hitting .335 to Yastrzemski's .295.

Runnerup Spot Pays Big Money

DUNEDIN, Fla. (AP)—Arnold Palmer has been coming in second for the fat purses on professional golf's tournament trail recently.

He has played in 22 tournaments and has won only two, but is on top of the list of the 10 leading money winners with \$10,743, the Professional Golfers Association said Monday.

Jack Nicklaus dropped to second place at \$101,917. Tony Lema was third with \$72,555.

Charles Dickens Died Before Completing His 'Mystery of Edwin Drood'

which makes its ending the great mystery story of modern times.

Largest Science Satellite To Be Aimed This Week

WASHINGTON (AP) — The United States plans to launch late this week its largest scientific satellite, designated OGO-A, for orbiting geophysical observation.

Carrying 20 scientific experiments contributed by government laboratories and universities, the satellite will be aimed into an orbit looping from 170 miles above the earth out to 92,000 miles.

It will gather data on the atmosphere, the magnetosphere and interplanetary space beyond reach of the earth's magnetic field.

Campus At MSU All 4-H Today

EAST LANSING (AP)—Three thousand youngsters took over the Michigan State University campus Monday.

They are delegates to the 49th annual State 4-H Show—the best from each of Michigan's 83 counties. The youngsters—20 per cent of them from urban centers rather than from farms—are competing for top honors in the four-day show. They represent the top four per cent of the 74,500 Michigan club members.

The annual "state fair without a ferris wheel" involves \$30,000 in cash premiums, in addition to trophies, ribbons, trips and college scholarships for the serious-minded youngsters.

Judging began Monday on such projects as livestock, horses, homemaking, dressmaking, handicrafts and insect collections.

Class Of 1954 Reunion Held At Hermansville

HERMANVILLE — Fifteen members of the 1954 class of Hermansville High School held a reunion at Camp Seven American Legion Club Rooms Saturday afternoon and evening.

The group toured the Hermansville High School at 5:30 Saturday and then went to the Legion Hall for their mixer. Dinner was served and prepared by Mrs. Carl Swanson, Mrs. Eugene Stocker Jr., and Mrs. Walter Kluba. Following the program the group enjoyed dancing to the music of the Country Ramblers.

Those attending included Mrs. William Bilski (Millie Jean Arduin); Bob Rochon, Bobby Jo Menard, Eugene Whittens; Mrs. William Sutherland (Betty Jo Carron); Milwaukee; Victor Dani Jr., Milwaukee; Chief Quartermaster William Daniels, U. S. Navy; Larry LeMadi, Menominee; James Lombard and Daryl Post, Wayne; George Schultz, Birmingham, Mich.; Larry Walli, Daggett; Lawrence Savard, John St. Juliana; and Melvin Gibour, Waukegan, Ill.

Gifts were awarded to: Larry Walli, first reservation; Bill Daniels, traveling the farthest; John St. Juliana, newest baby and married the shortest time; Daryl Post, married the longest time.

Fellowship Will Meet Wednesday

RAPID RIVER — The Women Fellowship of the Rapid River Congregational Church will hold the first meeting after the summer recess Wednesday, Sept. 2, at 8 p.m. at the church's parish hall. Mrs. Stanley Rushford will assume the role of president, succeeding Mrs. Albert Bond. Mrs. Grace Burnett is secretary and Mrs. Charles Bowen, treasurer.

All women of the church are asked to attend to plan the year's activities.

STOP! LOOK! LISTEN! !

Retirement Every Year!

THE ALASKA BROWN BEAR is the biggest meat-eating animal in the world, often attaining a height of ten feet when he rears up on his hind legs. Like all bears, the "brownie" hibernates in winter. Soon after the first snow falls, he finds a cave or a deep shelter under an overhanging ledge of rock. There he curls up and sleeps until spring.

The bear "retires" for several months every year, sustained by the fat stored in his body. When human beings retire, however, they don't receive the same help from Nature. They turn instead to life insurance. Nothing can make a man's retirement years more financially secure than a portfolio of Sun Life policies tailored to his requirements. Let me tell you how.

State Contests Spur Primary Voting Today

(Continued from Page 1)

Higgins, a Ferndale auto dealer who is a staunch backer of Republican presidential candidate Barry Goldwater.

Districts Mixed Up

Romney, seeking his second two-year term in office, has declined to say flatly that he will support the national ticket. But was expected to have little trouble beating Higgins.

The GOP candidate will face Rep. Neil Staebler, who is unopposed for the Democratic gubernatorial nomination.

Michigan's legislature, first in the nation to be reapportioned under the U.S. Supreme Court's recent "one man-one vote" ruling, has been revamped under a system that cuts across county, city and township boundaries in some districts to achieve equal population.

The result was the certain elimination of more than a score of present legislators from the political scene for this year.

For the Court of Appeals contests, voters were selecting 18 candidates for the November runoff. Three judges will be elected from each of three court districts.

The new court will receive appeals from lower courts, freeing the Supreme Court for deliberations concerning constitutional questions.

Several of the state's best-known political names were on the ballot in unfamiliar places.

Many Local Issues

Lt. Gov. T. John Lesinski was seeking one of the appellate judgeships, while Highway Commissioner John Mackie, Aud. Gen. Billie Farnum and State Treasurer Sanford Brown were in Congressional races.

In addition to the races for individual office, special local ballot questions were expected to help boost the turnout of voters.

In Wayne County, an open-housing measure stirred up interest. The measure, which its opponents said would legalize discrimination and proponents contended would protect property rights, was ruled unconstitutional by a Circuit Court judge, but the state Supreme Court said the petition should be allowed on the ballot. If approved, then the issue probably would be taken to the high court for a final determination on its constitutionality.

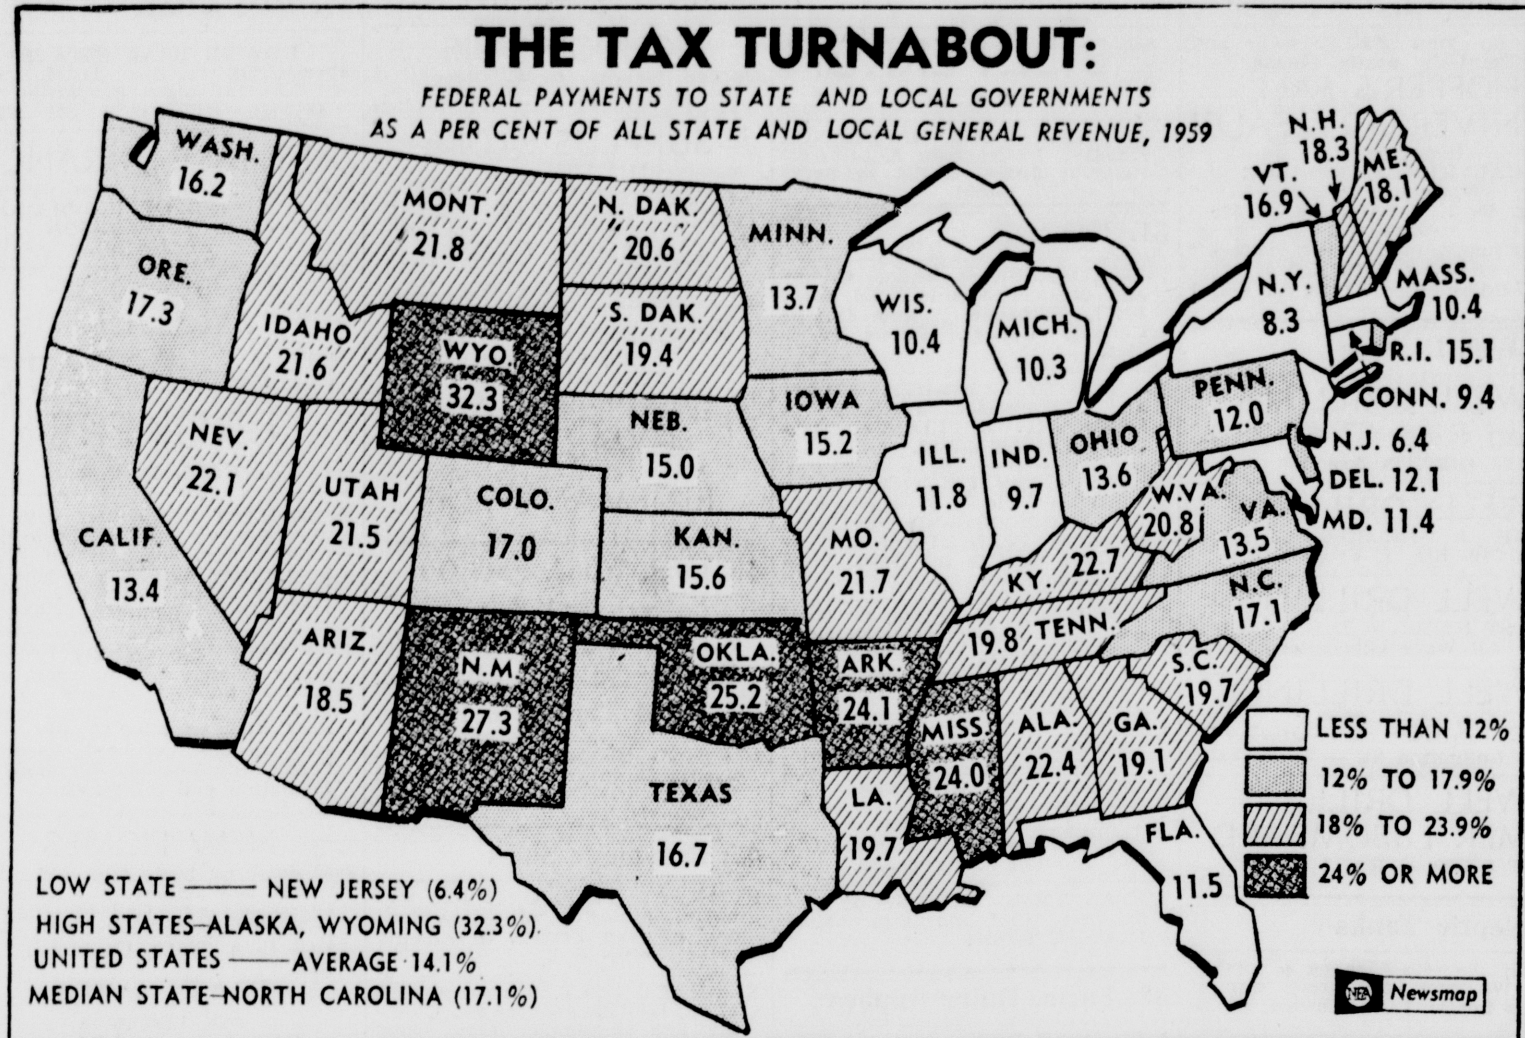

Party slates for the November election will be completed at state conventions Sept. 19 when nominees will be chosen for lieutenant governor, secretary of state, attorney general and several education offices.

Republicans will hold their convention at Cobo Hall in Detroit, while Democrats will meet in Lansing's Civic Center.

The offices of state treasurer and auditor general will not appear on the ballot this fall, because both will become appointive under the new state constitution.

The governor will name the treasurer and the legislature will appoint the auditor.

The dibatag is a rare type of antelope living among the parched sands of central Somalia.

Federal payments to state and local governments, in the form of grants-in-aid, represent an average of 14.1 per cent of the latter's budgets, according to the U.S. Senate Committee on Government Operations. The Newsmap shows a state-by-state breakdown for 1959, the latest year for which complete figures are available. Payments range from 6.4 to 32.3 per cent.

Traffic Kills 4,410 In July

CHICAGO (AP) — There were 4,410 traffic accident deaths in the nation during July, the National Safety Council said today—more than for any single month in the motor history.

By comparison, the U.S. Marines during the three-year Korean war lost a total of 4,267 killed in battle.

The record July toll supplanted that of August 1963 when 4,310 were killed in accidents on streets and highways. It was 11 per cent greater than for July last year when 3,970 deaths were counted.

The number of traffic fatalities for the first seven months of this year was 25,630, an increase of 11 per cent over the 23,010 for the same seven months of 1963.

Howard Pyle, president of the safety council, commented that traffic accidents are becoming one of the country's most critical social problems. In the 5-to-24 age group, he said, "more people die from traffic accidents than from any other cause."

"Traffic accidents today," Pyle said, "are the fifth leading cause of death" with only heart disease, cancer, strokes and pneumonia ending greater numbers of lives.

Highway Trooper Shot In Tussle; 4 Negroes Held

RAEFORD, N.C. (AP) — Four Negroes were charged today in the slaying of a North Carolina highway patrolman who attempted to arrest one of them late Monday.

Trooper W.T. Herbin's body was found in a cornfield off U.S. 401 near his patrol car. He had been shot three times in the forehead, with bullets fired from his own revolver.

Raeaford Police Chief L. W. Stanton said Willie Smith Jr., about 35, confessed to the shooting after several hours of questioning. Stanton said Smith was charged with murder.

Murder charges also were filed against three other Pinehurst Negroes, Will Allan, Albert Reeves and Rudy Clegg Bruton. Smith and Bruton were held at the Hoke County Jail in Raeaford and Reeves and Allan were taken to nearby Moore County.

All were held without bond pending a hearing in Raeaford on Sept. 8.

It was believed the trooper had stopped Smith's car for a routine investigation. Stanton said Herbin apparently tried to arrest Smith after finding him intoxicated.

Young Republican Summit Folks Meet In Arizona

PHOENIX, Ariz. (AP) — A young Republican summit conference, centering around an aerial tour of Arizona, begins today.

Participating will be Sen. Barry Goldwater's two sons and New York Rep. William E. Miller's two daughters. Goldwater is the GOP presidential candidate and Miller his running mate.

Elizabeth Anne Miller, 20, and her sister, Mary Karen, 17, were to be met in Phoenix by Barry Goldwater Jr., 26, and his brother, Michael, 21. The girls will be entertained at a reception at the Goldwater home to night and then, with Barry Jr. at the controls, the four will fly over the state's scenic areas Wednesday.

Ore Shipments Near 4 Million

The shipment of ore by the Chicago & North Western Railway Co. at Escanaba is nearing 4 million tons and will approach 6 million tons by the end of the shipping season.

The goal for the season had been set at 5½ million tons earlier this year, but the outlook is now most optimistic that the goal will be exceeded.

Ore is being received here from all three of the iron ranges — Menominee, Marquette and Gogebic — including an increasing quantity of pellet ore. Last year the North Western loaded out about 800,000 tons of pellet ore it transported here from the Groveland plant near Iron Mountain.

This year a second pelletizing plant is operating at the Empire mine on the Marquette range, and additional volume of pellet ore is coming to Escanaba from both sources reaching Escanaba is expected to substantially exceed last year's total shipments.

August shipments at Escanaba (both pellet and regular ores) totaled 834,791 tons this year compared to 704,362 tons for a similar period a year ago.

Cumulative totals so far this season show 3,754,147 tons shipped from Escanaba by the North Western; compared to 2,886,872 for the same period in 1963.

Shipping will continue until about mid-December, until the lake channels are closed by ice and the Lakes are hit by storms.

Robbery Suspect Flees In Boat Off New Buffalo

NEW BUFFALO (AP) — A naval engagement in rough Lake Michigan brought the capture of an armed robbery suspect in a stolen cabin cruiser about six miles offshore in Lake Michigan today.

Four New Buffalo policemen braved 10-foot waves in a 15-foot skiff to make the capture. They were supported in the chase by a private airplane from Benton Harbor-St. Joseph, a speedboat from New Buffalo and a volunteered 33-foot cabin cruiser. The Coast Guard had been alerted but was unable to reach the scene before the capture was made.

The rough seas forced the speedboat to turn back nearly swamped before pursuers closed with the cabin cruiser.

Brought to the jail here for questioning was a man identified as Steven Pettigrew, about 25.

Village officers said they evaded an attempt by the man to ram their skiff with the stolen cruiser. Once aboard, they said, they found him in possession of a 9-millimeter luger pistol with a full clip of ammunition and extra cartridges.

The chase started in Michigan City, Ind., with the reported armed robbery of a service station. Michigan City police pursued the holdup suspect in a car to New Buffalo where the auto was overturned on the lawn of the village hall. Its occupant fled and took over the cruiser from the New Buffalo marina and made his way out into the lake.

Garden Peninsula

Weekend guests at the home of Grace Griffin and Sarah Giusiano were Mr. and Mrs. Phil Steele, Mr. and Mrs. Frank Grosnick, Waukegan, and Mr. and Mrs. Paul Grosnick and children Paul and Paulette of Libertyville, Ill.

Mrs. Edna Montgomery and two children returned to Warren, Mich., Monday after spending the summer with her brother-in-law and sister, Mr. and Mrs. John Lester and family.

Mr. and Mrs. Harvey Ward returned to Milwaukee Sunday after spending the weekend at the Louis McLeod cottage in Vans Harbor.

Mr. and Mrs. Darrel Pizzala and children of Flint visited several days at the home of Mr. and Mrs. Bernard Bodette.

Mr. and Mrs. Harry Derosier and Mrs. Fred Olmsted of Nahma and Mrs. D. Girard of Marquette visited Sunday with Grace Griffin and Sarah Giusiano.

Mr. and Mrs. John Prizner and son Gregory of Detroit were weekend guests of his mother, Mrs. Mary Prizner.

Mrs. Otto Miller of Boyne City spent several days at the Harry DeVet home.

Rocket Makes Maiden Flight

CAPE KENNEDY, Fla. (AP) — The Titan 3A military space rocket blasted off on its maiden test flight today in an attempt to launch a dead-weight satellite from an orbit space platform.

The 124-foot booster, which is slated to play a key role in U.S. plans to gain military superiority in space, burst away from its launching pad at 10 a.m. (EST) on the 430,000 pounds of thrust generated by its first-stage engine.

The Air Force reported, seven minutes after launching, that the second and third stages had fired as planned.

Its assignment was to hurl its third stage — a new rocket called a transtage — into orbit about 115 miles above the earth.

The transtage was to kick loose a 3,750-pound cylinder-shaped satellite as it passed over the Gulf of Mexico at the end of one 100-minute orbit. The dummy satellite was to follow approximately the same orbital path, moving along in front of its orbiting launch platform.

Halfway through the first orbit, above Australia, the transtage platform was to execute a unique space somersault — flipping completely around 360 degrees — to align its stabilizing gyroscopes properly.

Singing Telegram Idea Man Retires

NEW YORK (AP) — George P. Oslin, public relations director for the Western Union Telegraph Co., was sitting in his office July 28, 1933, when "the idea suddenly hit me, why not make telegrams more fun to receive by singing them, especially on birthdays."

Oslin asked an operator to sing an experimental "Happy Birthday" to singer Rudy Vallee, who was celebrating his 32nd birthday that day, and the singing telegram became an institution.

Oslin retired Monday after 35 years with Western Union.

He had received one singing telegram during his career, on his 65th birthday Aug. 5.

Nahma School Board Meeting

The Nahma Township School Board will meet Wednesday evening, Sept. 2, at the school. This meeting will replace a meeting previously scheduled for Tuesday, Sept. 8.

Guild To Meet

The Guild of St. Paul's Episcopal Church will hold its monthly meeting this evening (Sept. 1) at the home of Mrs. Dale Brownwell of St. Jacques.

Dearborn School Consultant Killed In Ohio Collision

NAPOLEON, Ohio (AP) — Miss Ruth Hartke, 57, a public school consultant in Dearborn, Mich., and a sister of U.S. Sen. Vance Hartke, D-Ind., was killed early today in a head-on automobile collision on U.S. 24 east of here.

The crash took place about three miles from the scene of another head-on collision early Monday in which five persons lost their lives.

Miss Hartke was pronounced dead on arrival at Heller Memorial Hospital. She was alone in her car.

Verland Kohl, 36, of Holgate, Ohio, the driver of the other car, also was alone. He suffered an injury to his right leg and was taken to the hospital for treatment.

Exiles Destroy Station In Cuba

PANAMA (AP) — Nine anti-Castro commandos have destroyed a Soviet-directed radar station on Cuba's southeastern coast, a Cuban exile leader said Monday night.

Manuel Artime announced his raiders struck from two torpedo boats and that all got away safely.

He said he didn't know whether any Russian or Cuban soldiers were killed during the raid early Sunday morning.

But, he declared: "We have shown that we can pull the tail of the Russians."

Artime said the radar station was defended by a garrison of 150 Cuban soldiers and three Soviet officers. The station was selected, he said, because it was used to detect Cubans fleeing their country by boat, especially those coming from Oriente and Camaguey provinces.

Artime asserted that once the refugees were spotted, speedy Soviet-built patrol boats were sent after them. He said the boats usually were commanded by a Russian and the refugees were always shot to death while crouching in their boats.

Poland Stages Antiwar Rallies

WARSAW, Poland (AP) — A series of antiwar rallies will be held on the 25th anniversary of Hitler's 1939 invasion of Poland.

Setting the stage for the rallies, Poland's largest circulation paper, the Evening Express, accused England and France of shirking obligations to Poland in 1939 by not quickly attacking Hitler's forces.

Komodo monitor lizards often sleep a week after a big meal to allow the digestive juices to do a proper job.

Blazing Boat Blown To Safety By Helicopter

SAVANNAH, Ga. (AP) — A Coast Guard helicopter pilot, skillfully tilting his craft from side to side, used its blades as a fan and blew a burning 18-foot boat away from a gasoline storage tank Monday night. Three men aboard the boat were burned seriously.

The helicopter blew the boat into a marsh, where it burned to the water line and sank.

The pilot, Lt. Cmdr. C. W. Swickley, then returned and picked up the injured men.

Chicago Prices

BUTTER & EGGS
CHICAGO (AP) — Chicago Mercantile Exchange — Butter steady; wholesale buying prices unchanged to 1/2 higher; 93 score AA 60 1/2; 82 A 60 1/2; 90 B 59; 89 C 57 3/4; cars 90 B 59 3/4; 89 C 59.

Detroit Voters Miss Dailies

DETROIT (AP)—City voters went to the polls in a primary election today without the benefit of their two daily newspapers The Detroit News and the Detroit Free Press.

The two dailies have not published for 51 days because of a strike by two craft unions. Local 13 of the Pressmen's Union and Local 10 of the Paper and Plate Handlers Union.

There were indications that the absence of the newspapers had adversely affected the primary here.

"With newspapers, this election probably would have set a record, said Detroit Elections Director John Smith.

"You can hardly find anyone who knows what district he's in," said Grand Howell, managing editor of the Daily Tribune in suburban Royal Oak.

Both Michigan's Congressional and legislative districts have been reapportioned under court orders aimed at equalizing population.

Candidates have used radio and television and other newspapers, including suburban weeklies and two interim strike papers in Detroit, to bring their messages to the voters.

Candidates have been complaining that voters are not sufficiently informed.

Negotiations in the strike — longest in Detroit's history — were to continue today. Neither the unions nor management would comment on possible progress after six hours of bargaining yesterday.

Talks resumed after prodding by Gov. George Romney.

Use Of Autos Surveyed At Soo

LANSING (AP) — The average household in Sault Ste. Marie has 1.07 cars, 3.5 persons who take daily trips in these cars, makes eight automobile trips a day and drives 9,782 miles a year, the State Highway Department reports.

Department interviewers visited 1,100 homes and interviewed motorists driving into and out of the area to learn this and other information.

The material gathered in the comprehensive traffic survey "will assist state and local officials in planning better streets, better traffic management and better service for people in the area," said Highway Commissioner John Mackie.

Shed Blast Fatal

LUDINGTON (AP) — Floyd Fuller, 71, died here Monday night in an explosion and fire that burned out the interior of a storage shed at his home.

Firemen said he had completed cutting his lawn with a power mower and had returned it to the shed when the blast occurred.
